Airless Spray Tools

Rapid Valve Transfer Technology

The HYDE® RVT® Airless Spray System combines a high-quality airless spray gun with a lightweight, telescoping pole. But here's the real deal: to move from spraying with a gun to using an extension, you simply switch the valve from gun to pole — without powering down — and continue on.

28715 RVT® Replacement Valve

For use with RVT System (item #28700) or Spray Gun (item #28710).

28720 RVT® Replacement Spray Mount

Also fits all RVT-compatible QuickReach® spray poles (items #28670, #28680, #28690).

QuickReach® Telescoping Poles

QuickReach® poles extend out to their maximum height in seconds — from 4-1/2' to 12' depending on model — offering the professional painter freedom of reach. Can be used with all major brands of spray gun or with the HYDE® RVT System.

28670 4.5' – 6.5' QuickReach® Telescoping Spray Pole

Extends from 4.5" to 6.5" to paint heights up to 10".

28680 5.5' – 8.5' QuickReach® Telescoping Spray Pole

Extends from 5.5' to 8.5' to paint heights up to 16".

28690 7.5' – 12' QuickReach® Telescoping Spray Pole

Extends from 7.5' to 12' for painting areas normally reached on a ladder.

28730 QuickReach® Replacement Mount (RVT® Compatible)

Replacement mount for RVT-compatible QuickReach® poles or with the RVT System.

AnglePRO® Tip Extension Spray Poles

Change the spray angle up to 145° without stopping to manually adjust. Pressure rated to 4000PSI.

28260 3" AnglePRO® Spray Pole

28270 5" AnglePRO® Spray Pole

Dual Head Tip Extension

For use with .4GPM+ spray pumps. 2 offset tips extend the coverage while giving the right amount of overlap. Uses 5 & 6 series tips; fits all "G" thread guns. Aircraft aluminum — weighs less than 1lb. Cuts spray time by 50% or more.

Sanding Tools

Dust-Free Vacuum Sanders

Attach to your wet-dry vacuum and eliminate up to 99% of the dust. HYDE® dust-free sanders use net abrasive sanding sheets that are washable, reusable, and longer lasting than sandpaper. All dust-free sanders come with a universal adapter that fits most standard wet/dry vac.

09160 Dust-Free Sponge Sander

Uses a washable sanding sponge that works on any type of surface. 3-foot flexible hose. Includes two sponges: medium and fine grit, and a second angled sponge for finishing corners.

09165 Dust-Free Vacuum Hand Sander Kit

Universal adapter included. EasyClamp™ system for quick and easy sheet loading. 6-foot flexible hose.

09170 Dust-Free Vacuum Pole Sander Kit (without pole)

Acme threaded handle to attach to any pole and universal adapter included.

09180 Professional Dust-Free Pole Sander (with pole)

2-piece aluminum pole extends from 28" to 56". EasyClamp™ system for quick and easy sheet loading. 6-foot flexible hose. Four sheets of net abrasive sanding sheets included (120, 150, 180, 240 grits). Universal adapter included.

9" Radial Sander

The lightest radial sander on the market with a unique pivoting hinge and round

shape that prevents flipping. The radial sander accepts any 9" round abrasive material that has the hook and loop attachment feature.

09977 9" Radial Sander

9" Radial Duster

Wrap pad around radial sander to clean drywall surfaces after sanding. Durable,

machine washable microfibers. Can also be used wet or dry on floors.

09972 9" Radial Duster

9" Radial Sander Discs

For use with any 9" radial sander using the hook and loop system.

9" NET ABRASIVE SANDING DISCS

Lasts 3 times longer than sandpaper.

Made with an open weave structure that

minimizes "loading up" of the material, all but eliminating clogging even when used on painted wall preparation jobs. The variable net structure leaves no sanding pattern or uniform scratch lines. For use with 9" round dust free sanders.
