Specialty Screening

New York Wire offers a specialty screen to meet any need a customer might have. We make it easy for them to choose the right roll at the shelf with clear icons and color-coded packaging dedicated to each specific type.

Clear Advantage

See the scene, not the screen. This nearly invisible insect screening allows more natural light in and improves airflow compared to standard fiberglass screening. The charcoal color, coupled with the finer mesh weave, reflects less light, creating lower glare making the product less visible to the naked eye. Clear Advantage is practically undetectable from the exterior which enhances the curb appeal of your home or office. Mesh: 20 x 20, Diameter: .008

100' Rolls

Widths: 24", 30", 36", 48"

84" Ready Rolls

Widths: 36", 48"
16 rolls per carton.

Pet Resistant

Ultra strong screening resists tears and damage by dogs and cats yet still offers superb outward visibility. Ideal for areas where children or pets push against the screen. Available in charcoal color. Mesh: 14 x 10, Diameter: .025

100' Rolls

Widths: 36", 48"

84" Ready Rolls

Widths: 36", 48"
9 rolls per carton.

Small Insects

A finer mesh fiberglass to protect against no-see-ums, gnats, sand flies, and other tiny insects common in low marshy and coastal areas. Available in charcoal color. Mesh: 20 x 20, Diameter: .013

100' Rolls

Widths: 36", 48", 60", 72", 84", 96", 108"

84" Ready Rolls

Widths: 36", 48"
16 rolls per carton.

Pollen Guard

Pollen Guard screen is specially designed to block up to 50% more particles than standard fiberglass insect screen. This screen is a unique polyester knit fabric that creates a barrier for most pollen, dust, and other allergen particles making it ideal for allergy sufferers. Pollen Guard screen allows air to flow in while keeping dust and pollen particles out. Available in charcoal color.

100' Ready Rolls

Widths: 36", 48"

84" Ready Rolls

Widths: 36", 48"
16 rolls per carton.

Sun Guard

A fiberglass screen crafted to block up to 75% of the sun's rays entering a building. Reduces air conditioning cost and prevents fading of furniture and carpets indoors. Perfect for exposed patios, decks, sliding doors and windows. Available in charcoal color. Mesh: 54 x 18, Diameter: .011

100' Rolls

Widths: 30", 36", 48", 60", 72"

84" Ready Rolls

Widths: 36", 48"
16 rolls per carton.

Extra Strength

New York Wire Extra Strength screen is our strongest fiberglass screen. The Extra Strength screen's heavy weight weave is 40% stronger than standard fiberglass mesh providing greater protection and long-lasting durability while offering excellent outward visibility. Available in charcoal color. Mesh: 18 x 14, Diameter: .013

100' Rolls

Widths: 36", 48"

84" Ready Rolls

Widths: 36", 48"
16 rolls per carton.

Pool & Patio

Heavy-duty fiberglass mesh designed for use in pool, patio, porch and sun room enclosures. It is ideal for larger openings where extra strength is needed. Available in charcoal color. Mesh: 18 x 14, Diameter: .013

100' Rolls

Widths: 36", 48", 60", 72", 84", 96"

25' Rolls

Widths: 60", 72", 84", 96"

Standard Screen & Screen Accessories

Bright

Aluminum

Strong and durable screening that resists rust and will not sag. A protective finish prevents corrosion and strengthens the weave. Available in bright, charcoal, and black finish. Charcoal and black finishes reduce glare for greater visibility.

Mesh: 18 x 16, Diameter: .011

100' Rolls

Widths: 20", 22", 24", 26", 28", 30", 32", 34", 36", 42", 48", 54", 60", 72"

25' Economy Rolls

Widths: 24", 30", 36", 48". 9 rolls per carton.

84" Ready Rolls

Widths: 24", 30", 36", 48". 16 rolls per carton.

Charcoal

Fiberglass

Flexible, economical and easy to install screening. Will not crease, dent, or unravel. The most commonly used screening for new construction. Available in gray and charcoal color.

Mesh: 18 x 16, Diameter: .011

100' Rolls

Widths: 20", 22", 24", 26", 28", 30", 32", 34", 36", 42", 48", 54", 60", 72", 84"

25' Economy Rolls

Widths: 24", 30", 36", 48". 9 rolls per carton.

84" Ready Rolls

Widths: 24", 30", 36", 48". 16 rolls per carton.

Window & Door Screen Accessories

New York Wire is the only screen supplier to also offer a full line of accessory products. Our complete assortment is everything your customer needs for building a window screen from the ground up to replacing missing pieces on an existing screen.

Products include:

- Wood Installation Tool • Screen Hangers • Plastic Installation Tool
- Frame Corners • Friction Screen Hanger • Aluminum Screen Patch
- Screen Hardware Combo Pack • Side Tension Springs
- Storm Door Panel Clips • Window Grill Clips • Spring Plungers
- Wire Loop & Latch • Turn Buttons Frame Clips & Screws • Door Clips with Screws

Screen Frame Kits

Frame kits include everything needed to build a new frame – except the screen material. Frame kits are available in 36" in white finish and 48", 60", and 72" in white, mill and brown finish. The components of our frame kits include 4 aluminum frame pieces, 4 frame corners, 2 pull tabs, spline, and 2 tension springs.

Your single source for all the items to complete your screen department.

Screen Retaining Spline

All spline products are shipped in ready to display cartons for easy set up. Our brightly colored packaging makes it quick and easy to choose the right product.

Serrated Hollow Core Vinyl Spline Available in Gray and Black.

Diameters: .125", .140", .160", .175", .190", .220", .230"
Length: 25', 100', and 150'

Flat Spline

Lengths: 30' and 100'

3-In-1 Spline - Serrated hollow core vinyl in black

Diameters included: .125", .140", and .160" Length: 25'

Screen Curtain

Screen Curtains are available for both standard doorways and 1-car or 2-car garage doors. The screen curtains are collapsible temporary screen doors which allow you to enjoy the fresh air while minimizing the presence of bothersome flying pests like bees, moths, mosquitoes and flies.

Door Grilles

Door grilles protect your screen from damage by children or pets. The riveted mesh resists being pushed out of the frame. Screws are included for quick installation. Our door grilles can accommodate door widths of 30", 32", and 36". Door grilles are offered in mill, brown and white finish.

Adjustable Window Screen

Our adjustable window screens are ideal for windows in homes, cabins, boats and RVs. We offer heights of 10", 15" and 18". Each screen expands from 20" to 37". Adjustable screens feature our quality fiberglass screen in durable aluminum frames. The screens are packaged six per carton.

Vent Mesh

Fine enough to be an effective filter and keep bees and bugs out of the attic, yet strong enough to withstand damage from birds and squirrels. Available in 8 x 8 mesh aluminum and 9 x 9 mesh fiberglass.

100' Rolls

Aluminum: Widths: 6", 8", 12"

Fiberglass: Widths: 6", 8"

Screen Accessories & Merchandisers

Porch & Patio System

The New York Wire Porch & Patio Screening System allows contractors and do-it-yourselfers to permanently screen in new or existing porches and patios with its easy-to-use base and cap screen framing. It is easily installed in just a few simple steps with UV-grade vinyl snap-locking screen frame. The caps are available in three popular colors: bone white, desert sand and cocoa, and are also paintable.

Merchandisers

Ready Roll Merchandiser

Our free standing Ready Roll Rack comes complete with attractive product signage. The rack includes all of the best-selling sizes, colors and specialty products.

Dimensions: 26"H, 27"W, 21"D

DIY Retail Screening Center

Organize your DIY screen center with this convenient rack system. This unit offers 10 facings of precut screening and will hold up to 200 rolls. It can easily mount to any brand of existing gondola store fixture. Two piece design.

Dimensions: 24"H, 46.5"W, 18"D

100 Foot Roll Rack

Quickly and easily cut your screening to exact measurement with this display. Our rack comes complete with a built-in counter, cutting table, and winding bar. With seven shelves that each hold 3 – 100' rolls; this unit will hold up to 21 rolls in widths up to 48". Each shelf has an area for product and pricing information. Our winding bar can easily measure screening to any desired length. This display includes 8 roll clips to keep rolls wrapped and easy to manage.

Dimensions: 84"H, 55"W, 30"D
