Full Line Catalog

Valencia Planters

Algreen's Valencia planters add an authentic and rustic look while combining both traditional and contemporary designs in a variety of sizes and colors. Valencia planters are manufactured from recycled materials including plastic resin, stone and wood and are completely recyclable. Perfect for the home and garden; Algreen's Valencia planters provide a natural yet elegant look to enhance the appearance for a wide range of decors.

Modena Planters

Algreen's Modena self-watering planters add refined elegance to your home. Available in high gloss or matte finishes and in a variety of sizes to suit a wide range of home decors. Manufactured using a proprietary engineered polymer resin with UV inhibitors and is frost proof to protect from the elements. These sophisticated planters include an easy to lift internal plant liner with convenient telescopic handles to make planting simple. The large water reservoir supplies water to your plants as required and is designed to reduce watering frequency. The Modena's water-level Indicator shows you when the reservoir needs more water, making it easy to grow beautiful plants and flowers inside or out.

Cascata Rain Barrels

The Algreen Cascata rain water collection and storage system combines the timeless aesthetic elegance of ceramics with the enduring durability of modern plastics. This 65 gallon rainsaver is constructed from tough, roto molded plastic able to withstand extreme temperatures and will not chip, fade, or crack over time. The rain barrel comes with a 6' garden hose with shutoff nozzle, corrosion-proof screen guard, brass spigot, and easily removable crown planter on top. It's double-walled for supreme strength. The hose hangs neatly on the attached hook. Measures 24" x 46".

Madison Fountains

This elegant fountain is the perfect centerpiece for any backyard garden. It comes complete with an energy-efficient pump, tubing, fountain head, screen, and river rocks. This fountain also comes with a 49 gallon (185 L) pressurized rain barrel feature. A built-in submersible pump generates sufficient water pressure to directly water a lawn or garden. Simply connect a standard garden hose to the fountain head to allow for pressurized watering of your garden.

Athena Rain Barrels

Beautifully designed to give you the classic look of ceramic with the ease and durability of plastic, the Algreen Athena 50 gallon rain barrel is a lovely addition to your home. Save money and help conserve water with this rain barrel made of roto molded plastic which is able to withstand harsh temperature changes and won't chip, fade or crack. Included is a high quality brass spigot that adds to the elegance of this rain barrel as well as a shut off nozzle and corrosion proof screen guard. All Algreen rain barrels are equipped with two overflows to allow for linking multiple barrels or installing the rain barrel with an Algreen Deluxe Diverter Kit. Collect water for your grass and flower gardens as well as water for washing your car. This rain barrel is compatible with the Algreen Rain Barrel pump kit for pressurized watering to your garden.

Tumbling Composter

This large dual-batch tumbling composter is a practical, yet elegant way to eliminate organic waste and convert it into compost for your garden. The easy-to-tumble composter reduces the need to manually turn compost piles. At the same time, the patented dual-batch system prevents compost mixing and speeds up the composting process. Features include: a 56 gallon (7.35 cubic foot) drum, dual-batch separator, secure, extra-wide sliding lid (to facilitate filling and emptying both from the top and the bottom), rodent-proof design, a drain for compost tea and a rust-resistant (powder coated), snap-lock steel frame.

Potting Bench

This sturdy potting bench features a spacious and convenient triple tier shelving design for use as storage, a work surface or to double as a patio buffet table. The height of the top shelf is adjustable. Made from kiln dried solid fir wood this potting bench includes an elegant cappuccino coloured stain with weather resistant treatment. A latticed table top grate keeps mess away from the potting area and allows excess soil or waste to easily collect in the removable resin potting tray below. A backsplash border prevents soil from spilling over the potting surface. The pull out drawer allows for tidy and convenient storage of small garden tools. Minimum amount of assembly required. Instructions and hardware included.
