

CARDINAL MIX

Bird (E B08-001)

PRODUCT DESCRIPTION

Blue Seal wild bird products are top-of-the-line specialty feed mixes for backyard bird feeding year 'round. Each variety is specially blended to attract specific species of wild birds.

Cardinals love sunflower and safflower seeds, so our Cardinal Mix is the perfect choice to satisfy their appetites. The additional whole buckwheat provides a treat and yet another seed variety.

FEATURES AND BENEFITS

High Levels of Sunflower and Safflower Seeds

High Levels of Sunflower and Safflower Seeds which are cardinals' preferred food.

Available in 6 and 20 lb bags

Available in 6 and 20 lb bags to provide the choice of a convenient small package or a more economical larger bag.

FEEDING DIRECTIONS

Cardinal Mix should be fed in a feeder.

Cardinals are easily drawn to platform type feeders, placed no more than 4 feet off the ground and reasonably close to shelter. Cardinals prefer not to perch.
