

# CAPRINE CHALLENGER

Goat (E 0840)

## PRODUCT DESCRIPTION

Caprine Challenger is a high-protein, high-energy formulation of crimped oats, flaked and cracked corn, and pellets wrapped in highly palatable molasses. This highly fortified, fixed-component formula sweet feed is ideal for young growing kids, yearling replacements, inactive bucks, and dry and pregnant does.

## FEATURES AND BENEFITS

### High Protein

An 18% minimum protein promotes high milk production and optimum growth.

### Very Palatable

Maintains consistent feed intake

### Trace minerals and vitamins

Formulated to provide trace minerals and vitamins to help support optimal animal health and performance.

### Fixed Components

A consistent formula to prevent sudden changes in the diet and to maintain good digestive health and function.
