

# INSPIRE CHARGER

Horse (E 3623)

## PRODUCT DESCRIPTION

INSPIRE CHARGER is a high-fat, higher-calorie blend of quality grains and pellets, lightly wrapped in molasses and vegetable oil designed for growing horses, performance horses, broodmares and stallions. INSPIRE CHARGER provides a high quality, nutritionally balanced diet for the professional equine operation.

## FEATURES AND BENEFITS

### Fixed ingredient formula

A fixed-ingredient formula provides a consistent feed to your horse bag after bag, maintaining a stable gut environment and overall digestive health.

### Fresh Ingredients

Fresh Ingredients provide added quality and confidence in knowing you are selecting the best for your horse.

### Organic (complexed) Zinc, Copper and Manganese, Plus Bio-Available Selenium

The greater mineral absorption and utilization helps meet the increased need for bone, muscle and tissue strength in active horses. Overall reproduction performance and efficiency is sustained in breeding mares and stallions.

### Vitamins A, D, E and Stable Vitamin C

Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, and support the immune system.

### B-Complex Vitamins (including Biotin)

Actively involved in the metabolism of carbohydrates, fats and proteins into usable energy for performance and endurance. Added B vitamins support healthy growth of skin, hair and hooves.

### Higher Fat

Higher Fat from vegetable oil increases energy density and efficiency for sustained performance and endurance. The addition of fat helps reduce the risk of starch overload while maintaining desired calorie level for optimum weight and body condition of active horses. Vegetable oil also helps support skin and hair coat condition, enhancing overall appearance of show horses.

### Blend of Quality Grains and Pellets

Blend of quality grains and pellets including

## INSPIRE CHARGER

For growing horses, performance horses, and broodmares.

## GUARANTEED ANALYSIS

Crude Protein, min	14.00%
