FOR DEWALT PERFORMANCE, DEMAND DEWALT WORK GEAR

INNOVATION.

DeWALT's technical series represents the toughest work gear reimagined. Designed with integrated, resourceful technologies, the latest tool bags from DeWALT bring a new level of innovation to the jobsite. Whether you're an HVAC technician, electrician, plumber, or maintenance repair professional, the seamless integration of power distribution, and rotating lights is sure to redefine convenience on any jobsite. Recharge your devices with the USB charging system bag, or illuminate a project when light is scarce with the LED lighted tool bags. Either way we've designed and built DeWALT's technical gear bags to be the next generation of tool storage.

RECHARGE. USB CHARGING SYSTEM

USB charging battery dock powered by 20V MAX* Lithium ion battery charges personal devices

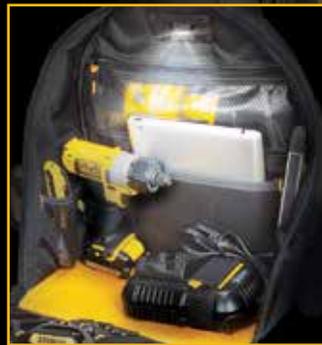

Internal charging compartment can simultaneously charge 2 devices, either a tablet / phone, and/or camera through a USB connection to the battery pack

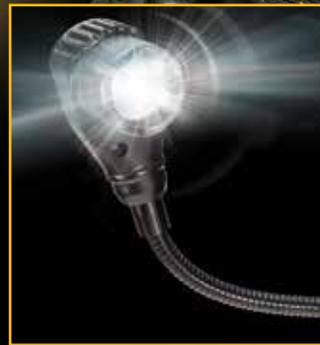

ILLUMINATE. LED LIGHT SYSTEM

3 Levels of light output allow adjustment for wide area illumination or close-up work

LED light can be easily directed at work area or into bag to help identify tools

Integrated 2-level LED light system allows adjustment for wide area illumination or close-up work

*Maximum initial battery voltage (measured without a workload) is 20 volts. Nominal voltage is 18.

NEW INNOVATION

GUARANTEED TOUGH.®

LIGHTED USB CHARGING TOOL BACKPACK

Patents Pending

DGCL33

USB charging battery dock
Simultaneously charge 2 devices via USB ports. Maximum 2 Amps shared output

Padded web carrying handles and adjustable shoulder straps
Make carrying more comfortable, and convenient

Large pads on back for extra comfort
Make carrying heavier loads more comfortable on stress areas of the back

Integrated 2-level LED light system
Allows adjustment for wide area illumination or close-up work

Easy double-pull, heavy-duty zipper

Base pad feet
Help reduce wear and abrasion

31 Multi-use pockets inside and 2 outside
Help organize a wide variety of hand tools

Multiple interior panels
Hold a multitude of tools and accessories like drills, extension cords, pliers, screwdrivers, wrench sets, drill bits, testers and much more

33 POCKET

DGC533 - 33 POCKET - USB CHARGING TOOL BACKPACK (NO LED LIGHT)

INNOVATION

Use your DeWalt 20V MAX* Lithium ion battery and our internal custom design battery dock as a USB charging source
(Battery not included)

Internal charging compartment can hold a tablet, phone, and/or camera and can charge 2 devices through a USB connection to a 20V MAX* Lithium battery pack

Low battery cut-off protection monitors battery voltage to avoid battery over-depletion

Integrated 2-Level, 200 lumen LED light system with adjustable steel neck for lighting bag contents, and wide area illumination or close-up work illumination

*Maximum initial battery voltage (measured without a workload) is 20 volts. Nominal voltage is 18.

DGC530

Patent Pending

USB CHARGING TOOL BACKPACK

Large pads on back for extra comfort
Make carrying heavier loads more comfortable on stress areas of the back

USB charging battery dock
Simultaneously charge 2 devices via USB ports. Maximum 2 Amps shared output

20 Multi-use pockets inside and 3 outside
Help organize a wide variety of hand tools

Padded web carrying handles and adjustable shoulder straps
Make carrying more comfortable, and convenient

Base pad feet
Help reduce wear and abrasion

Vertical tool wall
To organize a variety of extended screwdrivers and hand tools

23 POCKET

INNOVATION

Use your DeWalt 20V MAX* Lithium ion battery and our internal custom design battery dock as a USB charging source
(Battery not included)

Internal charging compartment can hold a tablet, phone, and/or camera and can charge 2 devices through a USB connection to a 20V MAX* Lithium battery pack

Low battery cut-off protection monitors battery voltage to avoid battery over-depletion

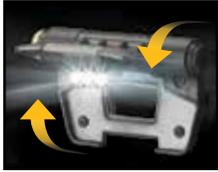

17 Pocket vertical tool wall to organize a variety of screwdrivers, hand tools, drill bits, and accessories

*Maximum initial battery voltage (measured without a workload) is 20 volts. Nominal voltage is 18.

LIGHTED TOOL BACKPACK

DGL523

Patents Pending

Handy, integrated 3-level LED light system
Allows adjustment for wide area illumination or close-up work

Base pad feet
Help reduce wear and abrasion

48 Multi-use pockets inside and 9 outside
Help organize a wide variety of hand tools

Padded web carrying handles and adjustable shoulder straps
Make carrying more comfortable, and convenient

Internal Hook and loop power tool strap and padded tablet pocket

Multiple interior panels
Hold a multitude of tools and accessories like drills, pliers, screwdrivers, wrench sets, drill bits, testers and much more

INNOVATION

57
POCKET

3 Levels of light output allow adjustment for wide area illumination or close-up work

Adjustable LED light rotates to light work area or bag contents

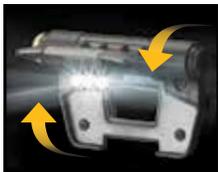

2 Large internal tool walls that can hold a variety of hand tools, screwdrivers, meters, pliers, and accessories

LIGHTED TECHNICIAN'S TOOL BAG

DGL573

Patents Pending

Handy, integrated 3-level LED light system
Allows adjustment for wide area illumination or close-up work

Padded adjustable shoulder strap

Easy double-pull, heavy-duty zipper

Padded web carrying handles

Pop-open design
And large interior compartment allows for easy access to tools and parts

LED light can be easily directed
Swivels to light work area or bag contents

28 Multi-use pockets inside and 13 outside
Help organize a wide variety of hand tools

Vertical pockets
Keep tools in sight for quick access

INNOVATION

41
POCKET

3 Levels of light output allow adjustment for wide area illumination or close-up work

Adjustable LED light rotates to light work area or bag contents

Vertical tool wall increases tools accessibility and can hold a variety of hand tools, screwdrivers, meters, pliers, and accessories

DGL571

LIGHTED HANDLE 18" ROLLER TOOL BAG

U.S. Patent No. 9,204,699.

LED light handle
Can be easily directed at work area or into roller bag to help identify tools and parts

6 Multi-use pockets inside and 11 outside
Help organize a wide variety of hand tools

Padded web carrying handles

Large, sturdy telescoping handle
Extends for fast transport of heavy loads

Large interior
Holds most large power tools and accessories

Heavy-duty treaded wheels
For easy bag movement over rough terrain

INNOVATION

3 Levels of light output allow adjustment for wide area illumination or close-up work

Adjustable LED light rotates to light work area or bag contents

Double zipper top folds back and magnetically attaches to telescoping lighted handle

17 POCKET

DG5570

17" ROLLER TOOL BAG

Large, sturdy telescoping handle
Extends for fast transport of heavy loads

Double zipper top folds back and magnetically attaches to telescoping handle

Holds most large power tools and accessories

6 Multi-use pockets inside and 11 outside
Help organize a wide variety of hand tools

Padded web carrying handles

Heavy-duty treaded wheels
For easy bag movement over rough terrain

FEATURES

Sturdy telescoping handle extends for fast transport of heavy loads

Double zipper top folds back and magnetically attaches to telescoping handle

Large interior holds multiple large power tools and hand tools

17 POCKET

14" OPEN-TOP TOOL CARRIER

DG5587

Open-top design with collapsible bar handle
Allows for excellent visibility and access to all contents

16 Exterior pockets and 10 interior pockets
Including 2 flap-covered pockets and one large zippered pocket for small parts or valuables

Adjustable, non-slip padded shoulder strap
Makes carrying more comfortable

Measuring tape clip and electrical tape strap

Base pad feet
Help reduce wear and abrasion

FEATURES

26
POCKET

Collapsible handle bar allows better visibility of contents and easy access to larger tools

Measuring tape clip and electrical tape web strap

One large zippered pocket for parts, testers, or valuables

18" OPEN-TOP TOOL CARRIER

DG5597

18 Exterior pockets and 15 interior pockets
Including 2 flap-covered pockets and one large zippered pocket for small parts or valuables

Base pad feet
Help reduce wear and abrasion

Adjustable, non-slip padded shoulder strap
Makes carrying more comfortable

Open-top design with collapsible bar handle
Allows for excellent visibility and access to all contents

Measuring tape clip and electrical tape strap

FEATURES

33
POCKET

Collapsible handle bar allows better visibility of contents and easy access to larger tools

Level cradle provides a simple, one hand cinch to secure your level or other tools

One large zippered pocket for parts, testers, or valuables

DG5553

18" PRO CONTRACTOR'S CLOSED-TOP TOOL BAG

**40
POCKET**

DG5511

24" PRO CONTRACTOR'S GEAR BAG

**9
POCKET**

16" TRADESMAN'S TOOL BAG

DG5543

13 Interior pockets
Including one zippered pocket to secure valuables

Padded web carrying handles

20 Exterior pockets
Allow for hundreds of organization options, includes one flap-covered pocket with hook & loop closure

Non-slip padded shoulder strap
Makes carrying more comfortable

Pop-Open Design
Large interior compartment allows for easy access to tools and parts

Heavy-duty poly fabric construction

Base pad feet
Help reduce wear and abrasion

33 POCKET

12" TRADESMAN'S TOOL BAG

DG5542

9 Interior pockets
Including one zippered pocket to secure valuables

Padded web carrying handles

20 Exterior pockets
Allow for hundreds of organization options, includes one flap-covered pocket with hook & loop closure

Non-slip padded shoulder strap
Makes carrying more comfortable

Pop-open design
Allows for easy access to tools and parts

Heavy-duty poly fabric construction

Base pad feet
Help reduce wear and abrasion

29 POCKET

DG5582

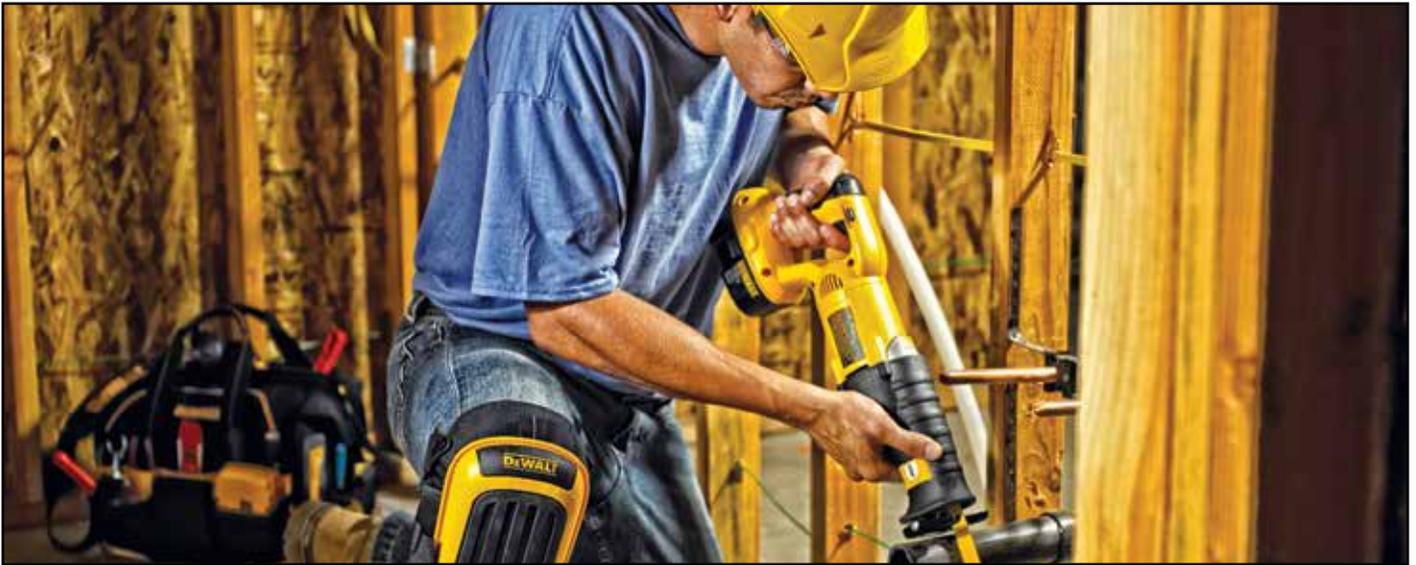

11" ELECTRICAL / MAINTENANCE TOOL CARRIER WITH PARTS TRAY

DG5540

11" COOLER TOOL BAG

PROFESSIONAL KNEEPADS WITH LAYERED GEL

DG5204

Convenient upper pull tab
For easy repositioning on knee

Ballistic fabric material
Provides strength and durability

Non-skid, heavy-duty cap
Designed for added stability and wear

Neoprene fabric liner
Helps keep knees comfortable throughout the day

Layered gel technology over thick, closed-cell foam padding
Surrounds knee for the ultimate in support and comfort

Slip-buckle fastener system with adjustable straps

Large, adjustable neoprene strap
For comfort and stability

HEAVY-DUTY FLOORING KNEEPADS

DG5224

Neoprene fabric liner
Helps keep knees comfortable throughout the day

Heavy-duty, dual-layer, ballistic poly fabric and tough, textured PVC outer shell
Provides extra durability and protects finished surfaces from scuff marks

High density, closed-cell foam padding with core technology
Helps reduce pressure on kneecap for extra comfort

Slip-buckle fastener system with adjustable straps

DG5217

ALL-TERRAIN KNEEPADS WITH LAYERED GEL

Keeps kneepad in place without restricting movement

Gel technology and thick foam padding
Surrounds knee for added comfort even with extended wear

Neoprene fabric liner
Helps keep knees comfortable throughout the day

Full-size, all-terrain cap design engineered with air cushion chambers
Provide stability and protection even over rough surfaces

Slot and Dot fastener system with flexible rubber straps
For comfort and easy adjustability

DG5261

HEAVY-DUTY MULTI-PURPOSE KNEEPADS

Accordion-style upper knee cover
Keeps kneepad in place without restricting movement

Durable, thick, closed-cell foam padding
Provides added comfort

Sure-grip, non-marring, low-profile cap
Designed for all purpose use

Slot and Dot fastener system with flexible rubber straps
For comfort and easy adjustability

DG5203

HEAVY-DUTY SMOOTH CAP KNEEPADS

Heavy-duty smooth cap
Formed to keep padding around knee

Comfortable foam padding
For all-day wear

Patented grooved cap design
Helps prevent thread abrasion

Slip-buckle fastener system with adjustable straps

Ballistic fabric material
Provides strength and durability

12-POCKET CARPENTER'S SUEDE APRON

DG5372

2" Wide web belt with double-tongue roller buckle
Helps keep belt stable

Center pocket
For measuring tape, nails, or other tools

Patented pouch handles
Allow for simple belt adjustments and easy one-hand carrying, and convenient on-hook storage

Fits waist sizes 29"-46"

5 Main pockets with 7 smaller pockets and sleeves
For nails, parts, tools, nail sets, pencils, etc.

Double-gusset front pockets
Provide extra capacity and easy access

Heavy-duty suede leather

Extra-strength rivets
At key stress points

Steel hammer loops

12
POCKET

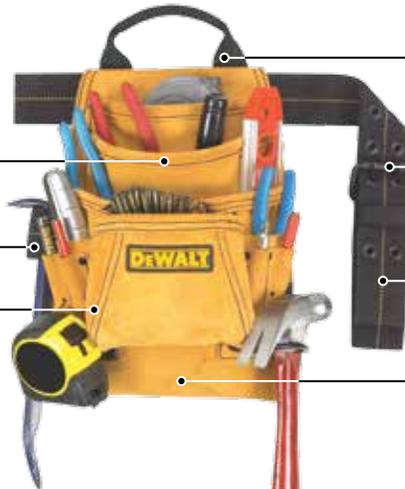

DG5333

10-POCKET CARPENTER'S SUEDE NAIL AND TOOL BAG

4 Main pockets with 6 smaller pockets and sleeves
For nails, parts, tools, nail sets, pencils, etc.

Web loop for pry bar

Double-gusset front pocket
Provides extra capacity and easy access

Patented pouch handle
Allows for simple belt adjustments, easy one-hand carrying, and convenient on-hook storage

2" Wide web belt with double-tongue roller buckle
Helps keep belt stable

Fits waist sizes 29"-46"

Heavy-duty suede leather

10 POCKET

DG5472

12-POCKET CARPENTER'S LEATHER APRON

2" Wide web belt with double-tongue roller buckle
Helps keep belt stable

Swinging "snap-in" hammer holder
Makes it easy to secure your hammer

5 Main pockets with 7 smaller pockets and sleeves
For nails, parts, tools, nail sets, pencils, etc.

Double-gusset front pockets
Provide extra capacity and easy access

Heavy-duty leather

Patented pouch handles
Allow for simple belt adjustments and easy one-hand carrying, and convenient on-hook storage

Fits waist sizes 29"-46"

12 POCKET

DG5433

10-POCKET CARPENTER'S LEATHER NAIL AND TOOL BAG

4 Main pockets with 6 smaller pockets and sleeves
For nails, parts, tools, nail sets, pencils, etc.

Web loop for pry bar

Double-gusset front pocket
Provides extra capacity and easy access

Patented pouch handle
Allows for simple belt adjustments, easy one-hand carrying, and convenient on-hook storage

2" Wide web belt with double-tongue roller buckle
Helps keep belt stable

Fits waist sizes 29"-46"

Heavy-duty leather

10 POCKET

20-POCKET PRO FRAMER'S COMBO APRON & YOKE-STYLE SUSPENDERS

DG5617

5" Padded, air-mesh fabric belt
Helps reduce heat and moisture accumulation

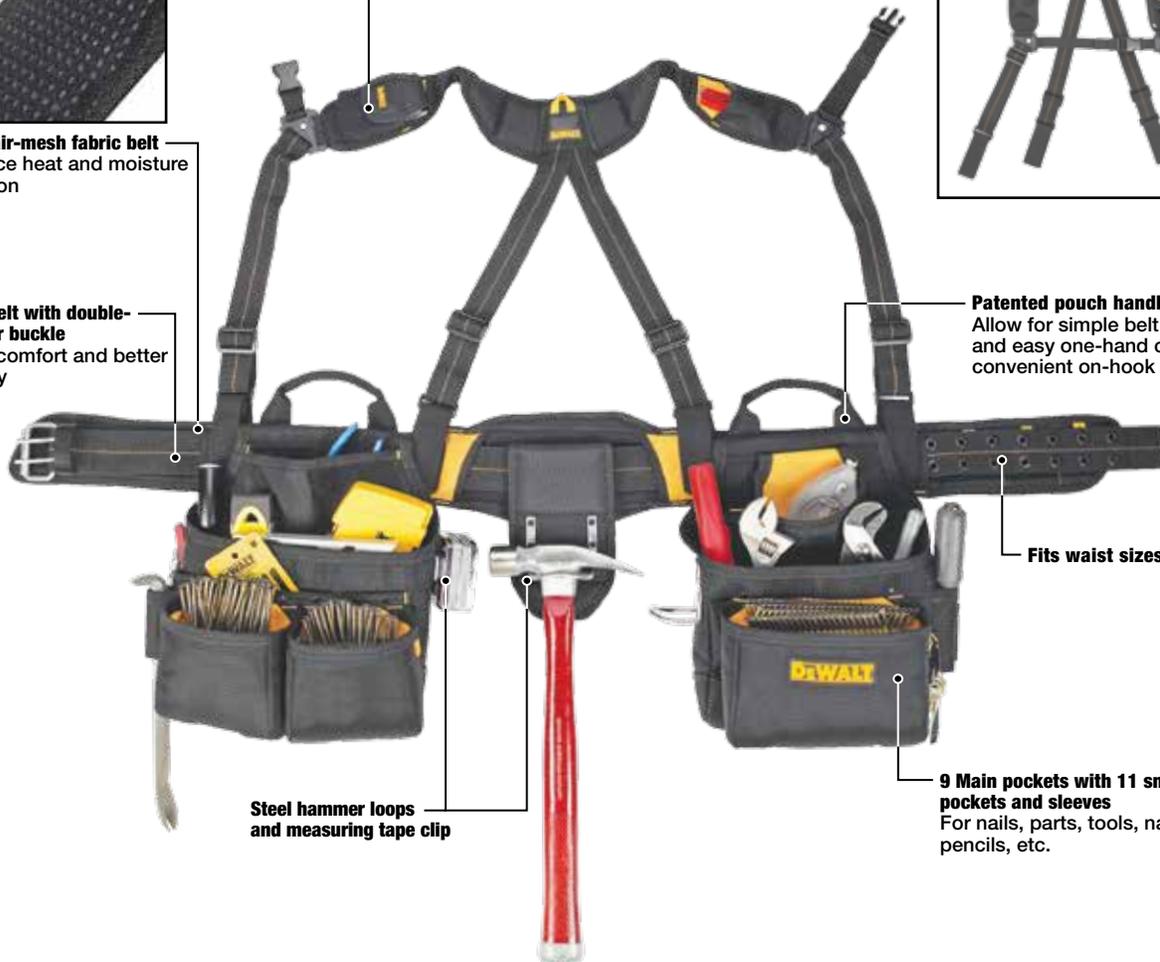

5" Padded belt with double-tongue roller buckle
For added comfort and better belt stability

Fully-adjustable, padded yoke-style suspenders
For added comfort, includes extra pocket and neoprene padded-cell phone holder

Patented pouch handles
Allow for simple belt adjustments and easy one-hand carrying, and convenient on-hook storage

Fits waist sizes 29"-46"

Steel hammer loops and measuring tape clip

9 Main pockets with 11 smaller pockets and sleeves
For nails, parts, tools, nail sets, pencils, etc.

**20
POCKET**

DG5641

19-POCKET FRAMER'S COMBO APRON WITH SUSPENDERS

DG5650

31-POCKET PROFESSIONAL CARPENTER'S COMBO APRON

DG5640

16-POCKET DELUXE CARPENTER'S COMBO APRON

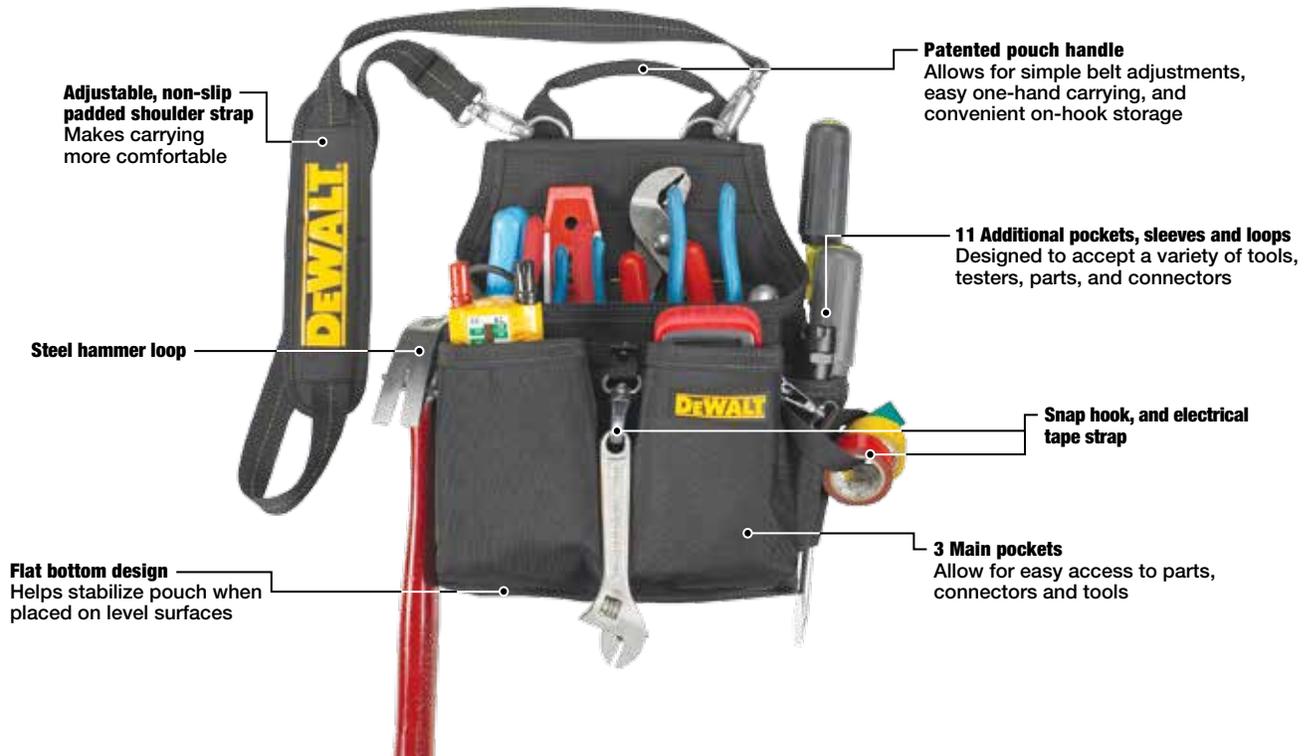

6-POCKET FRAMER'S NAIL AND TOOL BAG

DG5663

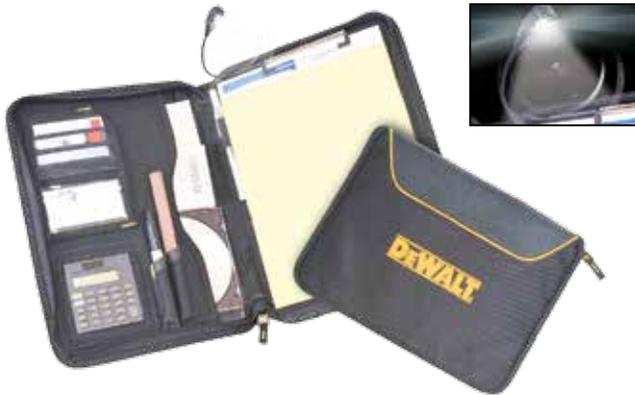

14-POCKET PROFESSIONAL ELECTRICIAN'S TOOL POUCH

DG5680

DG5142

**LIGHTED PRO CONTRACTOR'S
BUSINESS PORTFOLIO**

- **Includes LED light**
Easily positioned for reading or writing in low light conditions
- **Built-in calculator**
Solar and battery powered for quick, accurate calculation
- **Full zipper closure**
Helps keep notes and documents secure
- **Textured spine**
Provides strength and durability
- **Spring clip for 8½" x 11" writing pad** (Included)
- **Pen pockets and document sleeve**
- **Multiple business card pockets**

DG5140

**PRO CONTRACTOR'S
BUSINESS PORTFOLIO**

- **Built-in calculator**
Solar and battery powered for quick, accurate calculation
- **Full zipper closure**
Helps keep notes and documents secure
- **Textured spine**
Provides strength and durability
- **Spring clip for 8½" x 11" writing pad** (Included)
- **Pen pockets and document sleeve**
- **Multiple business card pockets**

DG5145

CONTRACTOR'S iPad® HOLDER

- **Folding magnetic cover with hand strap**
For secure holding and clear use of iPad® camera, can also be used as a stand
- **Compatible with 2nd, 3rd, 4th generation iPad®, and iPad® Air***
- **Full zipper closure**
Helps keep notes and documents secure
- **Outer pocket with steel clip**
For measuring tape storage or writing instrument
- **Multiple business card pockets**
- **iPad® Air requires included foam spacer blocks**
- **Textured spine**
Provides strength and durability

DG5141

CONTRACTOR'S NOTEPAD HOLDER

- **Conveniently holds 5" x 7" notepad** (Included)
- **Additional slots**
For business cards, credit cards, license, etc
- **Textured spine**
Provides strength and durability
- **Pocket and elastic loop**
For loose notes and pen or marker
- **Secure hook & loop closure**

*Not compatible with 1st Generation iPad® and iPad® mini

SMALL TECHNICIAN'S POUCH

DG5101

- Built-in neoprene-padded cell phone holder
- Large main pocket
- Special rear flap Slips into back pocket or snap closure to attach to 2" wide belt
- Electrical tape strap

SMALL MAINTENANCE / ELECTRICIAN'S POUCH

DG5103

- Rear clip or attach to belts up to 2¾" wide
- Large main pocket and smaller front pockets
- Electrical tape strap plus carabiner for keys

ACCESSORY POUCH

DG5104

- Main pocket with double-pull zipper and small internal pockets
- Clips onto pants or pocket, or fits belts up to 2" wide
- Medium-sized pocket with hook & loop flap closure

HEAVY-DUTY TOOL HOLDER

DG5173

- Multiple pockets Designed for pliers, snips, cutters, pencils, markers
- Steel measuring tape clip
- Fits belts up to 2¾" wide

HEAVY-DUTY DRILL HOLSTER

DG5120

- Angled holster Provides better drill balance
- Adjustable strap and quick-release buckle
- Fits belts up to 2¾" wide
- Added pockets and elastic loops Hold bits, drivers, etc.

IMPACT DRIVER HOLSTER

DG5121

- Angled holster Provides better driver balance
- Adjustable strap and quick-release buckle
- Fits belts up to 2¾" wide
- Added pockets and elastic loops Hold bits, drivers, etc.

DG5139

HEAVY-DUTY HAMMER HOLDER

- **Steel loop cradle**
Helps stabilize hammer
- **Added padding**
Helps keep handle away from body
- **Fits belts up to 2¾" wide**

DG5164

HEAVY-DUTY TAPE HOLDER

- **Accepts most large-case measuring tapes**
- **Slotted keel design**
- **Fits belts up to 2¾" wide**
- **Securing strap with hook & loop backing**

DG5125

HEAVY-DUTY 5" PADDED BELT

- **5" Padded, air-mesh fabric belt**
Helps reduce heat and moisture accumulation
- **Durable 2" web belt with double tongue roller buckle**
- **Easily adjustable to fit waist sizes 29" to 46"**

DG5132

HEAVY-DUTY YOKE-STYLE SUSPENDERS

- **Padded shoulder yoke**
- **Adjustable front and back straps**
- **Quick-release chest buckle**
- **Yoke pockets**
- **Hook & loop-close webbing loops**

DG5126

CELL PHONE HOLDER

- **Perforated neoprene padded body**
- **Swivel belt clip to wear on left or right side**
- **Hook & loop flap closure**

DG5114

SMARTPHONE HOLDER

- **Large, padded holder**
Accommodates most smartphone models
- **Convenient front pocket**
- **Carabiner**
For keys, plus elastic sleeve for pen or pencil
- **Swivel belt clip to wear on left or right side**

DEWALT full-function, rotating display rack is a great way to merchandise our innovative charging and lighted backpacks. Made of heavy gauge steel tube and wire includes peg hooks with scan plates. Attractive large full-color side panel graphics and 4-way header panel showcase the product features and benefits to help promote and sell the backpacks. The distinctive design is engineered for an efficient use of space and maximum durability.

- Full-color graphic large side panels and 4-way header shows product features and use
- 20" Square base with adjustable base footing
- Rotating display for easy access to products in limited space
- Sturdy metal base for stability
- Loop-style peg hooks with scan plates
- 20" W x 20" D x 72" H

DGR010**STATIONARY ROTATING DISPLAY**

DEWALT rotating display rack is made of steel tube and heavy gauge steel wire arms with adjustable loop-style hooks. This rack was designed and engineered to be extremely versatile. It's easy to configure, provides a multitude of display options, and allows for full product visibility and accessibility.

- Display rotates for easy access to all products in a limited space
- Full-color graphic header shows product use and branding
- Sturdy 1 1/4" square steel tube, slotted for display arms (spaced at 6" vertically), with heavy gauge wire arms and loop-style hooks with scan plates
- 20" Square base with adjustable pad footing
- 29"W x 29"D x 74"H

DGR020**PORTABLE 4-SIDED GRID WALL DISPLAY**

DEWALT mobile display racks are a great way to merchandise our quality work gear. These racks are made of steel tube and heavy gauge grid wall construction and feature castor wheels for portability. The distinctive design is engineered for an efficient use of space and maximum durability. The stylish graphic header showcases a variety of in-use applications and further promotes the product.

- Attractive beveled edge design with quality, full-color graphic header
- Easily configured for multiple display options
- Sturdy, welded square steel tube with heavy-duty, wire grid wall (spaced at 1 1/2" vertically), loop-style hooks with scan plates
- Castor wheels for portability
- 52" W x 26" D x 87" H
