The Spec Line What The Job Demands™

Introducing the first full line of sealants and adhesives designed specifically to meet the industry specs for the kind of work you do. So now whether you're installing a window, door, siding, laying subfloor or hanging drywall, there's a simple way to be sure you are doing the job to your high standards, as well as those of the leading manufacturers.

DAP® DYNAFLEX 230® Premium Interior/Exterior Sealant

Combines outstanding durability, adhesion and flexibility with superior paintability, low odor and easy water cleanup. Ideal for a wide variety of applications such as sealing around windows, doors, siding and interior trim, molding and baseboards for an attractive finished appearance.

Part No.	Mfg. No.	Container Size	Color
0265840	80000	10.1 oz	White
0265841	80002	10.1 oz	Clear
0265842	80004	10.1 oz	Aluminum Gray
0265843	80006	10.1 oz	Almond
0265844	80008	10.1 oz	Dark Bronze

DAP® DYNAFLEX™ 800 Premium Polymer Sealant

Provides a watertight, weatherproof seal. Ideal for installing and sealing around windows, doors and other penetrations where a tough, durable seal is required. Perfect for sealing dissimilar substrates. Features excellent adhesion to most common building materials.

Part No.	Mfg. No.	Container Size	Color
0265848	80800	10.1 oz	White

DAP® DYNAFLEX™ 920 Premium Exterior Elastomeric Sealant

A high performance, elastomeric sealant developed for professional siding and window installations. Provides a long-lasting elastomeric seal which helps prevent water and air intrusion. An extensive offering of colors provides an aesthetically appealing finished look to any installation. Can be applied in most weather conditions and will not wash away when exposed to rain prior to full cure.

0265850	89200	10 oz	White
0265851	89100	10 oz	Brown
0265852	89101	10 oz	Brown
0265853	89107	10 oz	Brown
0265854	89202	10 oz	Clear
0265855	89300	10 oz	Beige
0265856	89308	10 oz	Beige
0265857	89310	10 oz	Beige
0265858	89312	10 oz	Beige
0265859	89314	10 oz	Beige
0265860	89504	10 oz	Clay
0265861	89700	10 oz	Gray
0265862	89705	10 oz	Gray

DAP® DYNAGRIP™ 3498 Subfloor and Construction Adhesive

Designed to perform well on the jobsite even in the real world conditions. Can be applied to wet and frozen lumber and will extrude easily at temperatures as low as 20° F. Ideal for reducing floor squeaks and improving the structural performance of the floor assembly

Part No.	Mfg. No.	Container Size	Color
0265846	80052	28 oz	Tan

DAP® DYNAFLEX™ FRP Multipurpose Panel Adhesive

A high-strength, quick-grab, latex-based adhesive for bonding a wide variety of substrates. Especially ideal for the installation of fiberglass reinforced panels, tub surrounds and other decorative panels where the use of mechanical fasteners is limited. Features low odor and easy soap and water cleanup.

Part No.	Mfg. No.	Container Type	Color
0265845	80050	Cartridge	White

DAP® DYNAGRIP™ 557 Drywall Panel Adhesive

Designed specifically for the installation of drywall and paneling. Easy to apply and provides a bond that requires fewer screws or nails to attach drywall. Also reduces nail pops and helps limit air and sound movement between walls.

Part No.	Mfg. No.	Container Size	Color
0265847	80804	28 oz	White
