TERMS OF SALE

WARRANTY: These Peerless® Faucet Company products are warranted to the original consumer purchaser. Please refer to the warranty enclosed with each Peerless product for specific details. Additional copies available upon request. A 5-year limited warranty applies to Peerless products used in all industrial, commercial, multi-family and business applications.

CREDIT: All orders are subject to credit approval.

WARRANTY RETURNS: A full customer price credit will be issued to authorized Peerless Faucet Company customers for returned product which is defective as described in the warranty. The return must be accompanied by an approved copy of authorization form (RGA form D897B). A handling charge of 50% will be assessed against anyone returning product without prior authorization.

The defective product must be shipped freight prepaid by the least costly method of shipment. The freight cost of such shipments of defective merchandise will be added to the purchase price credit issued. Product returned as defective which is found to be misused, abused, modified or otherwise NOT DEFECTIVE will receive credit at scrap value only.

OTHER RETURNS: Non-defective product that appears in the current Peerless Faucet Company full-line price list and is in resalable condition will be considered by Peerless Faucet Company for return or replacement. Product returned that is not current production or not in resalable condition will be issued credit at scrap value only.

Product MAY NOT be returned without prior inspection and written authorization from a Peerless Faucet Company sales representative. Only product purchased direct from Peerless Faucet Company by a customer will be authorized for return. NO EXCEPTIONS! Return must be accompanied by an approved copy of authorization form (RGA form D897B). Product must be shipped freight prepaid by the least costly method of shipment. When credit is issued, it will be for the purchase price of the product at date of purchase less applicable transportation charges and 25% for handling and restocking. A handling charge of 50% will be assessed against anyone returning product without prior authorization.

PRICES: All prices and specifications of products are subject to change without notice or obligation. Orders will be invoiced at prices prevailing at time of shipment. Faucets or parts/accessories may not be combined for quantity discounts. Orders for specials or made-to-order items are not subject to cancellation and are not returnable.
