Clearly marked top edges makes mounting plate easy to orient and attach

Overview

The screwless wallplate is a system accessory for Greengate wall box devices. The wallplate fits a standard decorator opening or toggle opening and provides a contemporary, sleek design.

Features

- Screwless Wallplates clip easily into place with gentle pressure
- Virtually unbreakable polycarbonate construction
- Mid-sized to cover wall imperfections and large wallboard openings
- Available in multi-gang configurations
- Available in a variety of colors
- Meets flammability requirements per UL 94, V2 rated

Screwless wallplates clip easily into place with gentle pressure and no visible screws
