

30 GALLON PER MINUTE **ULTRA** HI-FLOW

**ANOTHER FIRST FROM
FILL-RITE®**

**30 GALLONS
PER MINUTE...**

Fill a 200 gallon tank in less than 7 minutes.
That's real time saved... every time you fill the tank.

- Angled inlet places the hose in a more natural downward position, reducing stress on the hose
- Ergonomically designed handle offers comfortable grip while providing room for the use of gloves.
- 3 locking positions for different flow rates
- Integral hook and spout spring

For transfer of gasoline, diesel, or kerosene to large fuel capacity farm, fleet, or construction equipment, there is simply no better choice. Fueling has never been easier... or quicker. Don't let your nozzle slow up your work when it is most critical. At Fill-Rite, we understand that time is money.

SO WHAT IS YOUR TIME WORTH?
