NEW
DualCheck™

Innovative "New to the World" tester saves you time and money, while providing quality you can trust. It incorporates a latest technology Non-Contact Voltage Tester and GFCI Outlet Tester into a single unit. These are 2 of the most popular testers by electricians, inspectors, technicians and homeowners.

With Sperry Instruments' advanced technology, the DualCheck™ quickly provides an accurate analysis of your 120 volt receptacle. The Non-Contact offers a 360° LED indicator and the best in class outlet tester detects low resistance values on the ground wire. This proprietary designed tester also provides a clear and easy-to understand 1 LED readout - there are not any charts to decipher or memorize!

Designed for the job-sight or home, this tester features Hi-impact ABS housing with 250 pound crush rating and the ability to withstand a drop of up to 10 ft. This tool increases your productivity on any job it faces.

- **1 LED light that gives an instant reading**

- **NO charts are needed to look up the results**

- **Beeping sound that lets you know when it has a reading**

- **360° viewable LED indicator**

- **Withstands a 10 ft drop**

- **250 pound crush rated**

Hi-Vis™ 360° LED Indication-
Non-Contact Tester

Value & CONVENIENCE -
Savings over buying each
one separately. Only one
tool to carry.

Stop Shock II -
Advanced GFCI outlet tester.
1 LED - INSTANT RESULTS!

CORRECT OPEN NEUTRAL OPEN GROUND HOT/NEU REVERSE HOT/GRD REVERSE
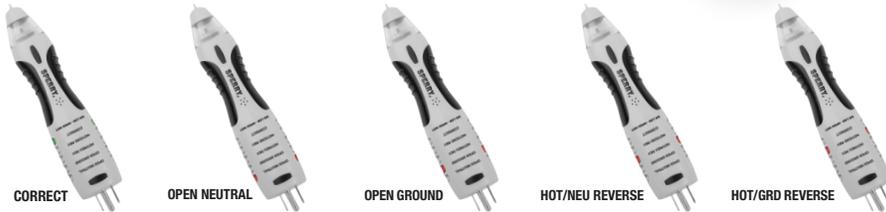

Benefits:

- **Time Saver:** Instead of having to carry, check and review the results from 2 separate tools, you now just need one. One less tool to keep track of, double the value.

- **Save Money:** Savings over buying each tool separately.

- **Merchandise:** This can be placed on a clip, display or on the counter. Can be put in the electrical area or up front as this is a multi-use product.

Features:

- Non contact voltage detection
- GFCI tester with advanced ground testing circuitry
- Exclusive 1 LED Readout - No charts, instant results
- 360° LED indicator
- Hi-impact ABS housing with over-molded grips
- Withstands a 10 foot drop
- 250 pound crush rated
- Limited Lifetime Warranty
