

## Sanding Belts

### Portable Sander Zirconium Oxide Sanding Belts

- The tough zirconium oxide grain runs cooler and stays sharper longer, extending the life of the sanding belt.
- Runs smoothly in both directions for longer life
- For use on power belt sanders.
- For use on wood, metal, fiberglass, and painted surfaces

Item No.	Description	Grade	Grit	Pk. Qty.	Inner/Master
7782	2-1/2" X 14" Zirconium Oxide	Coarse	50	3	5/50
