

SOFT ON YOU. EASY ON THE PLANET.™

green[®]
heritage
pro

The gradual market shift in favor of environmental products is undeniable and growing stronger. But this isn't news to us. With a history of sustainable manufacturing that reaches back 36 years, few companies—if any—have the “green” credentials of Resolute Tissue.

But our story doesn't end there.

Our Green Heritage[®] brand of bath tissue and towel products is more than just environmentally friendly; every Green Heritage product is carefully crafted to be a pleasure to use, delivering all the visual appeal, softness and strength you want.

At Resolute Tissue, we're committed to delivering superior quality at a great value. After all, when you've been “green” as long as we have, you pick up some efficiencies along the way.

And that can be a pretty good deal for both the environment and you.

WHO WE ARE

Resolute Forest Products is a global leader in the forest products industry, and our diverse range of products, including towel, tissue, wood products, newsprint, market pulp, and specialty papers, which are marketed in close to 70 countries. The company owns or operates some 40 manufacturing facilities, as well as power generation assets, in the United States and Canada.

Resolute maintains 100% forest management and chain of custody certifications to internationally recognized standards such as Sustainable Forestry Initiative[®] (SFI[®]), Programme for the Endorsement of Forest Certification (PEFC), American Tree Farm System[®] (ATFS[®]) and Forest Stewardship Council[®] (FSC[®]). This ensures all the fiber we process comes from responsible sources.

We are proud to have received regional, North American and global recognition for our leadership in corporate social responsibility and sustainable development, as well as for our business practices.

Resolute Tissue, a business of Resolute Forest Products, operates four paper machines and 14 converting lines in Calhoun (Tennessee), and in Hialeah and Sanford (Florida). We produce branded and private-label products for at-home and away-from-home channels, and offer both virgin and recycled products, covering a wide range of grades.
