

HITACHI

Wide Crown Construction Stapler

N5008AC2

Specifications

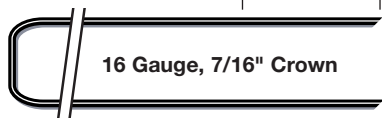

- >> **Staple Capacity:** 150
- >> **Weight:** 4.4 lbs.
- >> **Operating Pressure:** 70 – 120 psi

Standard Accessories

- >> **Wrenches**
- >> **Safety Glasses**

Capacities

- >> **Staple Sizes**

Notes: Lightweight stapler weighs only 4.4 lbs. Quick-clear nose and open magazine design simplify operation. Exceptionally rapid drive and quick response combined with a tool-less depth adjustment make this stapler extremely efficient.
