

HITACHI

Wide Crown Stapler

N5024A2

Specifications

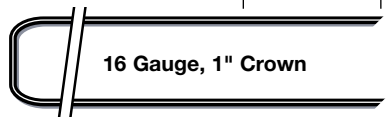

- >> Staple Capacity: 150
- >> Weight: 4.4 lbs.
- >> Operating Pressure: 70 – 120 psi

Standard Accessories

- >> Wrenches
- >> Safety Glasses

Capacities

>> Staple Sizes

Notes: Very lightweight wide crown stapler is excellent for insulation and wire lathing/wraparound. Tool-less depth adjustment and quick clear jam release add to its efficient design.
