

# Diamond<sup>®</sup> Horseshoes, Nails & Farrier Tools

The **Diamond** Calk Company founded in **1908** by blacksmith manufacturing horseshoes by hand, company that started to mass produce Later **horseshoe nails** were added,

of Duluth, Minnesota, USA was **Otto Swanstrom**. Initially only Diamond was the first American both **horseshoes** and **farrier tools**, resulting in a one-stop brand for farriers.

**Diamond's heritage ensures a bright and shiny future**

## Diamond® Horseshoes, Nails & Farrier Tools

Diamond® was founded in 1908 in Duluth, Minnesota, USA by blacksmith Otto Swanstrom. The company was unique because it not only mass produced innovative patented horseshoes but also a range of specialized farrier tools. Later Diamond® horseshoe nails were added, resulting in a one-stop brand for farriers.

*Since 1908 horse owners and suppliers have depended on the Diamond® brand for high quality farrier products*

Diamond® is a subdivision of the Royal Kerckhaert Horseshoe Factory, the largest independent horseshoe manufacturer in the world. As a family owned company since 1906, Kerckhaert shares Diamond’s heritage and experience. The Diamond® product line blends very well with the leading European designs and Kerckhaert’s vision and expertise have brought new and exiting options to

Diamond®. All distribution and promotion in North America and Canada is done through Farrier Product Distribution Inc.

### About The Royal Kerckhaert Horseshoe Factory

The Royal Kerckhaert Horseshoe Factory is the World’s largest independent horseshoe manufacturer with a global distribution network and specialized dealers in 77 countries. The Royal Kerckhaert Horseshoe Factory is market leader in their field and dedicated to excellence and innovation in the farrier industry. Kerckhaert has introduced more good options for the horse, farrier, trainer and rider than any other manufacturer on the market. In 2008 Kerckhaert received the Dutch Predicate ‘Royal’ as proof of appreciation, recognition and commitment of more than 100 years.

## Classic Shoes

- Nail hole pattern allows more accurate nail placement
- Wide web for increased bearing surface and hoof wall support
- Full 1/8" wide crease permits deep seating of nail head in counter sink without hang-up on crease walls
- Increased inside shoe taper provides added relief from snow and clay build-up
- Precision spaced and punched nail holes
- Lightweight for reduced fatigue
- 10° crease draft gives more control over slant when following draft of foot and hoof
- Longer creases for improved traction

## Bronco Shoes

- Choice of three popular, ready-to-nail patterns
- Diamond heel and toe calks are forged—not welded
- Perfectly balanced and accurately shaped to fit average horse's foot without alteration
- Nail hole pattern allows more accurate nail placement
- Correctly tapered nail holes are precision punched and spaced
- Designed to fit both front and hind feet
- Inside taper reduces snow and clay build-up on bottom of horse's foot

### Bronco Plain

## Special Shoes

Rounder shape than Diamond Classic shoes to give "fuller fit"

- Wider web provides more hoof wall support and protection to hoof
- Cleaner nail holes and smoother bearing surfaces for easier shoeing

- Precision hole pattern allows accurate nail placement
- Increased inside taper provides additional relief from snow and clay build-up
- Easily worked cold to fit either front or hind hooves

## Special Plain

DS000B

Size/Cat. No.	UPC No.	Length (Inches)	Width (Inches)	Approx. Wgt. Each (oz.)	Pairs Per Box	Box Weight (Lbs.)

DS5B	037103237521	7 1/4	6 1/2	22.2	10	28

## Hind Plain

1HINDB

- Designed to fit the majority of hind feet with little or no modification
- Nail holes right where they need to be
- Beveled for sole relief
- Clipped heels to minimize buildup, but still offer maximum support

Size/Cat. No.	UPC No.	Length (Inches)	Width (Inches)	Approx. Wgt. Each (oz.)	Pairs Per Box	Box Weight (Lbs.)
00HINDB	037103237439	4 3/4	4 3/8	8.5	20	20
0HINDB	037103237446	5 1/8	4 3/4	9.5	20	24
1HINDB	037103237453	5 3/8	4 7/8	10.5	10	14

## Pony Plain

0PONYB

- Forged from special steel (like the regular horseshoe) to give long wear
- Six properly spaced nail holes fit the average pony hoof

Size/Cat. No.	UPC No.	Length (Inches)	Width (Inches)	Approx. Wgt. Each (oz.)	Pairs Per Box	Box Weight (Lbs.)
0PONYB	037103237576	3 3/4	3 5/16	5.0	40	24
1PONYB	037103237583	4 1/16	3 7/16	5.3	40	26

NOTE: For No. 2 Pony shoe, use Diamond® Cat. No. 000PLAIN Bronco horseshoe.

HORSESHOE NAILS & FARRIER TOOLS

Diamond® Horseshoe Nails

- Manufactured from the highest quality steel with a closely controlled rolling process that produces precision nails with a high tensile strength
- Uniformly tempered to provide optimum elasticity while preserving material strength for consistent and easy driving
- Slim, sleek shank drives easier and safer
- Sharp beveled points for easy hoof wall exit
- Proper stiffness for straight accurate driving without bending, while clinching easily after wall exit for firm holding
- Nails are packaged in an attractive, durable plastic container with a replaceable sliding lid for easy and secure storage

Diamond® Hoof Nippers

- Professional quality
- Precision manufactured from special alloy steel with button rivet

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
FN12	043127101717	12	1	1 lb. 6 oz.
FN15	043127101731	15	1	1 lb. 12 oz.

FN12

Diamond® Economy Hoof Nipper

- Economy model
- Forged from high quality steel with heat-treated jaws and handles
- Sharp cutting edges are hardened, honed and flush ground
- Chrome plated with polished head and plastic coated handles

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
14DN	037103213747	14	1	2 lbs.

14DN

## Diamond® Nail Nipper

N10

- Improved beveled cutting angle provides more strength
- 10" handle for increased leverage
- Developed specifically for cutting horseshoe nails
- Full polished head with wide throat clearance engineered to allow close cutting

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
N10	043127101755	10	1	8 oz.

## Diamond® Combination Shoe Puller / Spreader

SP12D

EXTERIOR TEETH

- Has exclusive pattern with sharp teeth on outside edges for ease in spreading most shoe sizes and styles
- Can also be used for cutting nails
- Round knobs on handle ends make selection easy
- Button rivet construction

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
SP12D	043127066993	12	1	1 lb. 8 oz.

## Diamond® Crease Nail Puller

NP12

- For removal of nails from crease of shoes that have been on horse for some time
- An essential tool for removal of misdriven nails from new shoes
- Precision forged from high quality tool steel for long life
- Button rivet construction with polished head

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
NP12	043127101816	12	1	1 lb.

## Diamond® Farrier Tong

FT15

- Manufactured from special low carbon steel for lasting strength
- Will not become brittle when quenched in water
- Ideal for handling average size shoes

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
FT15	043127101793	15	5	1 lb.

FARRIER TOOLS

Diamond® Horse Rasps

- Superior performance in both wet and dry conditions
- Resists clogging due to the angled tooth face
- Rasp teeth on one side, file teeth on other side, single cut on edges
- Rasp side allows for aggressive, but controlled hoof removal
- File side produces a consistent smooth finish
- Outlaw Rasp is less aggressive, but extremely durable for long life.

Cat. No.	UPC No.	Description	Packed Per Box
HR15	037103206343	14" Outlaw Horse Rasp	6
HR14N	037103219510	14" Horse Rasp/File	6

HR15

HR14N

Diamond® Pritchel

- Manufactured from high quality 5/8" tool steel
- Clears shoe nail holes
- New flat design

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
P12D	043127102172	12	12	14 oz.

P12D

Diamond® Clinch Cutter

- High quality steel forging
- Beveled on outside edge only. Flush inside edge allows close cutting
- An all purpose tool with one end designed for cutting and the other for pritchel

Cat. No.	UPC No.	Length (Inches)	Width (Inches)	Packed Per Box	Weight Each
C7	043127102042	6	2 3/4	6	12 oz.

C7

Diamond® Clinch Block

- Solid steel for clinching and seating nails

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
CB4	043127102080	4	6	10 lb. 6 oz.

CB4

## Diamond® Hoof Knives

- High quality steel blades
- Two blade widths—# 271 is narrow; # 280 is wide
- Choice of right or left hand blades. (**Specify when ordering**)

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
271R	043127102097	8	6	3 oz.
271L	043127102103	8	6	3 oz.
280R	043127102110	8	6	3.5 oz.
280L	043127102127	8	6	3.5 oz.

Note: Suffix "R" indicates right hand blade and "L" left hand.

## Diamond® Clinchers

- Four models forged from high quality steel with button rivet
- **Farrier Clincher (FC12)**—designed to roll over high and low nails. Downward push with rolling action clinches nail  
NOTE: Tool should not be squeezed when clinching nail
- **Saddle Horse Clincher (HC12)**—for use on larger nails in saddle horse hoofs
- **Gooseneck Clincher (PC12)**—turns heads of smaller nails when shoeing ponies and race horses

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
FC12	043127101823	12	1	1 lb.
HC12	043127101830	12	1	1 lb. 1 oz.
PC12	043127101847	12	1	1 lb. 2 oz.

## Diamond® Specialty Hammers

### Rounding Hammers

- Perfectly balanced; one round, crowned face, one flat
- Faces beveled to reduce possibility of chipping
- Hardwood handles

### Driving Hammers

- Forged from high quality steel
- The most useful farrier hammer available
- Hardwood handles

Cat. No.	UPC No.	Description	Packed Per Box
60	043127101861	24 oz. Rounding Hammer	4
61B	043127101892	36 oz. Rounding Hammer	4
FH10	043127101878	10 oz. Race Track Driving Hammer	6
FH14	043127066955	14 oz. Farrier Driving Hammer	6

FARRIER TOOLS

Diamond® Fence Tool

- For wood and steel posts on ranch or farm
- Heavy-duty lockjoint construction with oval faced jaws
- Starting and pulling point on one jaw with corrugated hammer head on the other
- Front pulls staples, lifts lugs, and splices wires—wire stretcher located behind joint
- Handles green plastic coated

DFT10

Cat. No.	UPC No.	Size (Inches)	Packed Per Box	Weight Each
DFT10	037103197351	10-5/8	10	1 lb. 8 oz.

Diamond® Farrier Tools Assortment

- Most popular farrier tools
- Unique vinyl backing with product outlines

## Competitive Advantage

Diamond® Farrier products have the competitive advantage in value, quality and availability

- Complete selection of shoes and tools for the farrier trade
- Diamond® horseshoes are reworkable, whether cold or reheated
- Available through distributors of heavy hardware plus ranch and veterinary supply houses

## Safety

Farrier tools should be used only for their designed purposes and within their size ranges. The following cautions should always be observed:

1. **Always wear approved eye protection.**
2. Never use nippers, pullers or pliers as hammers or hammer on their handles.
3. Do not extend nipper, puller or plier handle lengths to achieve greater leverage. Use a larger tool.
4. When using a hammer, strike squarely – avoid glancing blows that may cause the edge of the face to slip, possibly resulting in eye or other serious injury.  
**Never strike with or against the side or cheek of any hammer.**
5. Do not use special purpose hammers for anything but the purposes for which they were intended.
6. **Never use a hammer with a loose or damaged handle.**
7. **Do not misuse tools. Nail Cutting Nipper can chip if used beyond cutting nails - DO NOT PULL OR APPLY EXCESSIVE TORQUE WHILE CUTTING NAILS.**
