BuildMan
Grade

SCAFFOLDING AND DRYWALL TRADES

METALTECH

BUILT TOUGH FOR
SAFETY

HEAVY-DUTY

Our industrial-grade products are built to take more abuse and heavier loads than any others on the market.

BuildMan™ Grade products are built to endure the most rugged jobsite environments that the Pros deal with every day. Our industrial-grade products are built to take more abuse and heavier loads than any others on the market. They are more stable, stronger and safer to use. From truck to jobsite and from jobsite to jobsite, Pros can rely on BuildMan™, whether you are installing drywall, ceiling systems or performing maintenance on equipment or buildings. Metaltech's BuildMan™ Grade products are Built Tough for Safety.
