We Know Magnets

Founded in 1976 and located in Castle Rock, Colorado, Master Magnetics, Inc. manufactures and distributes all types of magnets and magnetic devices for commercial, industrial and consumer use. The Magnet Source® brand is a registered trademark of Master Magnetics, Inc. and represents exceptional quality, expertise and customer service.

Innovative and Extensive Product Line

We continuously develop useful and profitable magnetic products. Magnets attract profits, and with over 250 SKUs of packaged consumer magnets in stock, customized planograms and consistent quality, The Magnet Source® brand is a great profit center for your store.

Customer Service

- Serving large and small retailers, co-ops and distributors for Hardware, Home Improvement, Automotive, Craft, Hobby, Office/School Supplies and Housewares categories.
- Two regional production and distribution facilities ensure fast and cost-effective delivery.
- Highest rankings on vendor scorecards achieved for on-time delivery, complete shipments, bar code compliance and product quality.

Product Quality

We define product quality in terms of magnetic strength, product functionality, craftsmanship and packaging. The Magnet Source® brand assures powerful, built-to-last magnetic products with attractive trilingual (English, Spanish and French) packaging for multi-lingual markets.

Permanent Magnetism Guarantee

The magnets in this catalog are all made from permanent magnet material. We guarantee, under normal use, that these magnets will remain magnetized or we will remagnetize them. There is an expected loss of strength of 1/2 of 1% per century.

Magnetic Strength Pull Test Methodology

We rate our magnets by pounds of pull in a vertical test. Each magnet's entire magnetic surface is tested against a .5" thick ground steel plate. If the item to lift is thinner than .5", is not ground flat, or does not cover the entire magnetic surface, the actual holding capacity will be much lower. Painted surfaces will reduce tested strengths.

i *Impulse Strips - Look for this symbol which indicates the item is available on a pre-loaded impulse strip.*

Custom planograms available.

FEATURED Magnetic Products

We continue to provide new and innovative magnetic products that will boost your profits for all areas of home improvement, automotive, office, hobby and housewares categories.

A Neodymium Disc Magnets with Adhesive (Page 20)

No glue is needed, just peel off the adhesive liner and stick to your hardware, hobby or home improvement project.

B Rotating Magnetic Hook (Page 10)

Industrial-strength magnetic hook swivels a full 360 degrees and swings 180 degrees. Features 65 pounds of pull for holding heavy items.

C Magnetic Knife and Tool Holders (Page 8)

Powerful magnetic bars in attractive faux stainless steel or flat black help organize utensils and tools in the kitchen, home, office or garage.

D 23" Retractable/Bendable Retrieving Magnet with Plunger Handle (Page 17)

This innovative magnetic tool can be bent and angled into crowded and congested small spaces to retrieve metal screws, nails and more.

E Magnetic Parts Trays (Page 18)

Keep loose nuts, screws and other small metal items in reach while under the hood or under the car!

F Sidekick Display (Pages 5)

Conveniently attaches to end cap gondola and holds 6 Pick-Up Pals™ and 4 Mini Sweepers™

Magnetic Floor Sweepers (Pages 6 and 7)

Easy and fast way to collect large quantities of nails, screws, paper clips and any other ferrous metal items.

Magnetic Pouches (Page 24)

Keep objects at hands' reach and keep organized at school, home, shop and office.

Retailer Support (Page 31)

Retailers can take advantage of various display options to increase magnet sales.

Welding Angle Magnets (Page 18)

Strong magnets leave both hands free to safely work on welding projects.

Magnetic Welding Ground (Page 18)

Holds securely to ferrous metal work, providing positive ground for welding applications.

Magnetic Pick-Up Pal™

A

C

Open clamshell to release metal pieces.

D

Magnetic Pick-Up Pal™

Prevents costly tire repairs and personal injury. Pick up nails, nuts, bolts, screws and scrap metal with a pull of up to 65 lbs. 35" durable metal handle reaches under vehicles, workbenches, tables and more.

Item	Part No.	Description
A	07247	Pick-Up Pal™ in white box. (box not shown) Refills for 07247DSP Display.
B	07247DSP	Magnetic Pick-Up Pal™ Display - Contains 12 Pick-Up Pals™. Includes a trilingual full color display header.
C	07297	Pick-Up Pal™ in clamshell packaging. Shipped 4 per box.
D	07597	Telescoping Pick-Up Pal™ in clamshell packaging.
E	07547DSP	Telescoping Magnetic Pick-Up Pal™ Display Contains 12 Telescoping Pick-Up Pals™. Includes a trilingual, full color display header.
	07547	Refills for 07547DSP Display. (not shown)

B

E

Colorful Pick-Up Pal™ displays can easily be restocked as the products sell. Place in high-traffic areas of your store for added exposure and fast sales!

Magnetic Pick-up Tool Attachment

Attach an acme-threaded standard broom handle to this pre-threaded magnetic base. Use the wing nut to adjust the handle angle to desired position. Reach tools, nuts, bolts and other ferrous metal items with ease.

Pick-Up Tool Attachment, 65 lbs. pull
Part No. 07508

Attach to any acme-threaded standard broom handle.

Magnetic Mini Sweeper™

Magnetic Mini Sweeper™

For home, shop, yard and garage use. Picks up nails, screws, paper clips, tacks and other small ferrous metal objects. Lightweight aluminum housing is durable and easily cleared of scrap metal with release lever, shop towel or glove. 3" and 4" diameter wheels, 41" handle.

Item	Part No.	Description
F	07265	27" Mini Sweeper™ with full-color trilingual packaging.
G	07293	Packaged 14.5" Magnetic Mini Sweeper™ can be hung in two directions. Shipped 4 per box.
H	07294	13.5" Telescoping Magnetic Mini Sweeper™ with Release.
I	07263	14.5" Magnetic Mini Sweeper™
J	07263DSP	Contains 12 Magnetic Mini Sweepers™, each with 14.5" sweeping width.
NEW K	PLTCOMBOMSK	Sidekick Display conveniently attaches to end cap gondola and includes 6 Pick-Up Pals™ and 4 Mini Sweepers™.
	07MSKDSP	Metal Sidekick Display with graphics available without product.

Save money and prevent injuries by clearing metal debris from floors, walkways and work areas. Easily collect scattered nails, screws, staples and small hardware to keep work areas safe and clean.

NEW

NEW

Magnetic Floor Sweepers

Powerful magnetic sweepers are useful for quickly clearing dangerous ferrous scrap metal including nails, screws, tacks, barbed wire and staples from walkways, factory aisles, loading docks, parking lots, construction sites, and more.

Magnetic Floor Sweepers with Release

These push-type sweepers feature 14", 18" and 24" sweeping widths and durable solid rubber wheels. Quickly drop collected scrap metal by pulling on the release handle. The 24" model picks up 6 pounds of 8-penny nails, or approximately 600 pieces. These sweepers are incredibly strong and well built, yet very affordable.

Quickly drop collected scrap metal by pulling on the release handle.

Item	Part No.	Appx. Lbs. Pull	Sweep Width	Overall Width	Handle Height	Ship Weight
A	MFSM14RX	233	14"	20"	42"	25 lbs.
B	MFSM24RX	400	24"	30.25"	42"	43 lbs.
C	07543	97.5	18"	22.5"	44"	12 lbs.

All dimensions approximate.

Magnetic sweepers save time and prevent injury.

Magnetic Floor Sweepers

These sweepers are well-built and incredibly strong! Available in 12", 24" and 36" sweeping widths with 6" diameter rubber wheels, a 42" sturdy metal handle and powerful magnetism. Remove load by hand using heavy gloves or shop towel.

Item	Part No.	Appx. Lbs. Pull	Sweep Width	Overall Width	Handle Height	Ship Weight	Magnet Surface
	MFSM12	80	12"	16.5"	42"	17 lbs.	60 sq. in.
D	MFSM24	160	24"	28.5"		27 lbs.	120 sq. in.
	MFSM36*	240	36"	40.5"		41 lbs.	180 sq. in.

All dimensions approximate.

*36" model includes eyebolts and converts to hang-type sweeper when handle is removed.

Note: All sweepers are designed for attracting ferrous metal pieces and debris and are not designed for lifting heavy objects. The Pounds Pull rating is measured by a vertical pull test from a .5" thick ground steel plate for purposes of magnetic strength comparisons only.

Magnetic Floor Sweepers

Extra Heavy Duty Magnetic Sweepers

Designed for long wear and durability. Ideal for construction companies or rental shops! Quick-load release lever. Rear-set wheels allow for maximum sweeping width. Designed for extended use over rough terrain, even in water! All models are 4" high by 16" deep (does not include wheel dimensions).

Item	Part No.	Appx. Lbs. Pull	Sweep Width	Overall Width	Ship Weight
	MFSD18*	290	18"	20.25"	60 lbs.
	MFSD24*	385	24"	26.25"	69 lbs.
E	MFSD36*	580	36"	38"	89 lbs.

Hang-Type Magnetic Sweepers with Release Handle

Use these sweepers to clear factory and warehouse aisles and driveways. All models are 4" high by 3" deep - eyebolts included. To unload, push the sweeper to the desired dumping area (i.e. a piece of cardboard) and pull the release handle. As the magnet rises, collected material is released from the collector plate.

Part No.	Appx. Lbs. Pull	Sweep Width	Ship Weight	Magnet Surface
MRHS36RXC	330	36"	17 lbs.	108 sq. in.
MRHS48RXC	440	48"	23 lbs.	144 sq. in.

Hang-Type Magnetic Sweepers

Suspend the magnet from forklift or vehicle bumper to "sweep" large areas clean of scrap metal. Wipe the face of the magnet with shop towel to clear. Two eyebolts are installed for easy suspension. All models are 1.75" high by 5" deep.

Part No.	Appx. Lbs. Pull	Sweep Width	Ship Weight	Magnet Surface
MRS18	160	18"	11.5 lbs.	60 sq. in.
MRS24	213	24"	23 lbs.	120 sq. in.
MRS36	320	36"	36.2 lbs.	180 sq. in.
MRS48	426	48"	49 lbs.	240 sq. in.
MRS72	625	72"	79 lbs.	360 sq. in.
MRS78	695	78"	80 lbs.	390 sq. in.
MRS84*	745	84"	86 lbs.	570 sq. in.
MRS96*	855	96"	100 lbs.	780 sq. in.

Tow Behind Magnetic Sweeper

Versatile three-way sweeper; **tow** from the back or **hang** from the front of a vehicle, or **mount** to a forklift. Quickly clear tramp iron from large flat paved areas.

Item	Part No.	Appx. Lbs. Pull	Sweep Width	Overall Width	Ship Weight
NEW F	MTBS48	250	48"	55"	72 lbs.

Also available in widths of 60", 72", 84" and 96" - call for lead time

* These models should be shipped by truck. Other models ship by a ground parcel service. All dimensions approximate.

Magnetic Knife and Tool Holders

Magnetic or Screw Mount

Powerful magnetic bars in attractive gray or flat black organize utensils and tools in the kitchen, garage or home office. Two mounting styles to choose from. Magnetic mount features magnets on front and back so bar attracts to metal surface for mounting. Screw mount features one-sided magnetism with mounting screws included. **30 lbs. pull per inch.** 12" W x 1.5" H x 1" D.

Item	Part No.	Description
	07576	Magnetic Mount in gray
A	07577	Magnetic Mount in black
B	07578	Screw Mount in gray
	07579	Screw Mount in black

Package can be displayed with either kitchen utensil use, or tool holder use.

Mount with screws to wall or workbench, or mount magnetically to your refrigerator or tool bin.

Tools and utensils not included.

Magnetic Tool Holders

Magnetic Tool Holders

Organize hammers, wrenches, screwdrivers and more. Perfect for use in garages, service stations, workshops, commercial kitchens, and even inside maintenance vehicles. Available in a durable black-powder coating or nickel-plated. Mounting holes are 16" apart on 24" models and 10" apart on 13" models. Welded steel construction makes these tool holders extremely durable. Two screws are included for mounting. **20 lbs. pull per inch.**

Item	Part No.	Description
C	07661	24" Black tool holder with yellow stripe in 4-color box.
	07662	24" Nickel-plated tool holder with red stripe in 4-color box.
	07663	13" Black tool holder with yellow stripe in 4-color box.
D	07664	13" Nickel-plated tool holder with red stripe in 4-color box.
	AM1PLC	24" Black tool holder with yellow stripe in plain box.
E	AM2PLC	13" Black tool holder with yellow stripe in plain box.
	AMC13PLC	13" Nickel-plated tool holder with red stripe in plain box.
F	AMC24PLC	24" Nickel-plated tool holder with red stripe in plain box.

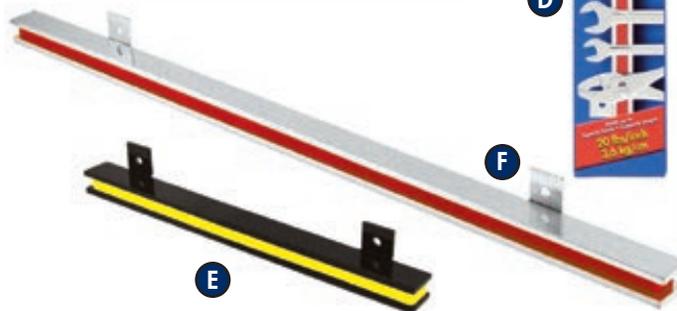

All magnetic tool holders mount easily to walls, workbenches or toolboxes. Steel hanging tabs with .25" dia. holes are welded in place for secure mounting.

Tools not included.

New compact four-color packaging.

Round Base, Hook and Clip Magnets

Round Magnetic Bases

Each powerful magnetic assembly has a durable nickel-plated cup with mounting hole. Add a hook or knob to hold lights, tools, plants and more to steel surfaces.

Item	Part No.	Pounds Pull	Outer Dia.	Thickness	Hole Dia.
A	07515	10	1.21"	.171"	.125"
	07216	16	1.42"	.265"	.187"
	07217	25	2.04"	.29"	.20"

All dimensions approximate.

Heavy Duty Round Magnetic Bases

Extra strong magnetic bases can suspend speakers and spotlights. Also useful for P.O.P. displays and in-store signage.

Item	Part No.	Pounds Pull	Outer Dia.	Thickness	Hole Dia.
B	07222	65	2.65"	.36"	.25"
	07223	95	3.19"	.44"	.28"

All dimensions approximate.

Rotating Magnetic Hook

Industrial-strength magnetic hook swivels a full 360 degrees and swings 180 degrees. Powerful neodymium magnet has up to 65 lbs. pull.

Item	Part No.	Pounds Pull	Diameter
C	07580	65	1.25"

Reversible Magnetic Hook

Loosen the bolt and flip the hook for versatility in hanging directions. Use to hang lights, wiring, tools, banners, decorations and more from any ferrous metal surface.

Item	Part No.	Pounds Pull	Diameter
D	07529	25	2.25"

Powerful Magnet with Carabiner Hook

Super strong neodymium magnet assembly with easy-clip aluminum carabiner hook. Includes non-scratch liner.

Item	Part No.	Pounds Pull	Diameter
E	07587	45	1.125"

Powerful Magnet with Attachment Ring

Neodymium magnet assembly with attached key ring is super powerful! Includes non-scratch liner.

Item	Part No.	Pounds Pull	Diameter
F	07287	35	1.125"

Round Base, Hook and Clip Magnets

White Magnetic Hooks

Coated with white enamel paint, these hooks are versatile for shop, office, school and home. Hang tools, utensils, accessories and more.

Item	Part No.	Pounds Pull	Diameter	Finish	Qty. per Pkg.
G	07290	9	1"	White Enamel	2 pcs.
H	07291	14	1.25"		

Magnetic Handi-Hook™

Includes liner to prevent surface scratches. Hang a drop light underneath an auto hood. Hold keys, tools and utensils from any ferrous metal surface.

Item	Part No.	Pounds Pull	Diameter	Finish
I	07218	20	2"	Chrome Plated

Magnetic Décor Hooks

Attract through glass! This powerful, 2-part magnet can be used to hold wreaths or other decorations through single-pane windows or storm doors. Simply place a magnet on each side of the glass, then hang the decoration. Also use as two single magnetic hooks on metal surfaces. Protective lining helps prevent surface scratching.

Item	Part No.	Diameter	Finish	Qty. per Pkg.
J	07254	2.6"	Chrome Plated	2 pcs.

Magnetic Handy Clips™

Use on file cabinets, lockers, refrigerators, desks and more. Strong enough to keep those important lists, memos and letters from sliding out of sight.

Item	Part No.	Pounds Pull	Diameter	Finish	Qty. per Pkg.
K	07219	3	1"	Chrome Plated	2 pcs.

Holding Magnets with Knob Handle

Hold blueprints, calendars, important memos, visual aides, work plans and more with these convenient, heavy duty magnetic bases. Ideal for offices and in the classroom. Each magnet features easy-grip knob for positioning and non-scratch liner to prevent marring.

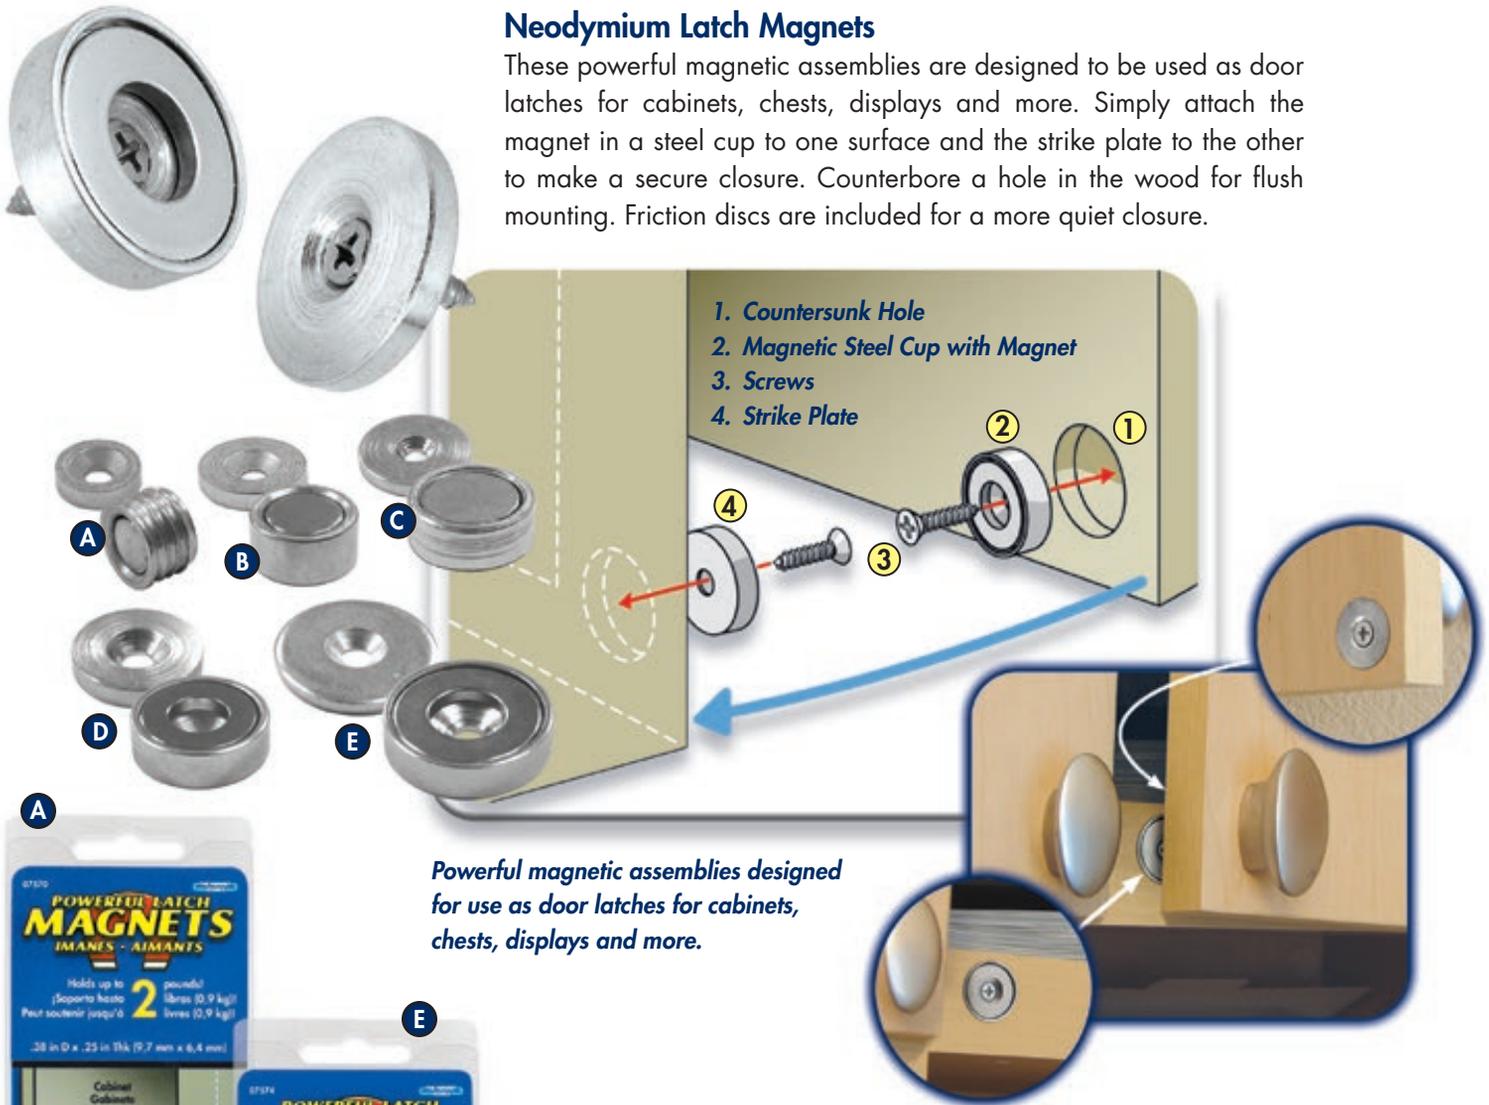

Item	Part No.	Pounds Pull	Diameter	Tall	Finish
L	07505	25	2.625"	1.25"	Chrome Plated
M	07516	11	1.5"	1"	
N	07517	20	2"		

Neodymium Latch Magnets

Neodymium Latch Magnets

These powerful magnetic assemblies are designed to be used as door latches for cabinets, chests, displays and more. Simply attach the magnet in a steel cup to one surface and the strike plate to the other to make a secure closure. Counterbore a hole in the wood for flush mounting. Friction discs are included for a more quiet closure.

Powerful magnetic assemblies designed for use as door latches for cabinets, chests, displays and more.

Item	Part No.	Pounds Pull	Description
A	07570	2	Neodymium Latch, .380" dia. x .250" thk., 4 sets per package (4 magnets in steel cups, 4 strike plates, 4 screws, 4 friction discs).
B	07571	6	Neodymium Latch, .500" dia. x .250" thk., 2 sets per package (2 magnets, 2 steel cups, 2 strike plates, 4 screws, 2 friction discs).
C	07572	16	Neodymium Latch, .625" dia. x .250" thk., 2 sets per package (2 magnets, 2 steel cups, 2 strike plates, 4 screws, 2 friction discs).
D	07573	23	Neodymium Latch, .875" dia. x .281" thk., 1 set per package (1 magnet in steel cup, 1 strike plate, 2 screws, 1 friction disc).
E	07574	30	Neodymium Latch, 1.130" dia. x .270" thk., 1 set per package (1 magnet in steel cup, 1 strike plate, 2 screws, 1 friction disc).

Latch / Retrieving Magnets

Latch Magnet Assemblies

Latch magnets can easily secure cabinet doors, or can be used to hold or retrieve metal objects. Each contains a powerful ceramic magnet.

Item	Part No.	Pounds Pull	Length	Width	Height
F	07220	7	1"	.875"	.25"
G	07575	25	2.75"	1"	.5"

All dimensions approximate.

Universal Latch Magnet

Powerful latch magnet set in durable red plastic casing allows multi-directional and adjustable mounting. Includes .125" thick steel strike plate with countersunk holes to accommodate flat head screws.

Item	Part No.	Pounds Pull	Length	Width	Height
H	07502*	50	4.25"	.938"	1.125"

* .125" thick steel strike plate included. All dimensions approximate.

Super Latch Magnets

Use as small tool holders, door stops, gate closures and magnetic clamps, or separate magnetic from non-magnetic materials. Welded solid steel construction.

Item	Part No.	Pounds Pull	Length	Width	Height
I	07201	50	3"	.75"	1"
J	07202*	100	5"		

* Eyebolt and nuts included. All dimensions approximate.

Heavy Duty Retrieving Magnets

Add the enclosed eyebolt on the top or side of the magnet and use to hold, lift and hang objects. Each powerful magnet assembly is encased in bright red nylon casing with black rubber sides. Hundreds of uses are possible!

Item	Part No.	Pounds Pull	Length	Width	Height
K	07503*	100	2.375"	2.375"	1.25"
L	07504*	40			.75"

* Eyebolt and nuts included. All dimensions approximate.

Part No. 07503 and 07504 include two Magnetic Shields™ to block magnetic strength when not in use.

Great for retrieving and lifting metal toolboxes, tools and more.

Holding and Retrieving Magnets

Standard Holding and Retrieving Magnet

Ideal for holding, lifting and retrieving metal objects including tools, screws, nails and more. Center hole allows magnet to be mounted to workbench, or attached to a rod for retrieving.

Item	Part No.	Pounds Pull	Length	Width	Height
A	07204	18	1.75"	.625"	.75"

Hole measures .187" dia. All dimensions approximate.

Heavy Duty Holding and Retrieving Magnets

Hold and position spray nozzles, hoses, temporary wiring and more. Each magnet features welded solid steel construction. Great for retrieving hand tools and other metal items from waterways. Attach a rope or rod to magnet's included eyebolt for retrieving. Hundreds of sporting, household, industrial and commercial uses.

Item	Part No.	Pounds Pull	Length	Width	Magnet Height
B	07206	40	2"	2"	.5"
C	07209	225	5"		2"
D	07541*	100	2"		1"
E	07542*	150	5"		

All dimensions approximate. Height not including eyebolt.

These heavy duty magnets have super strength for retrieving and lifting ferrous metal tools. Each includes eyebolt and nuts.

**Part No. 07541 and 07542 include Magnetic Shields™ to block magnetic strength when not in use.*

Handle Magnets

Powerful Ergonomic Handle Magnet

A great tool for moving metal items, or holding objects to metal walls. Lifts up to 100 pounds. Magnet is encased in durable red plastic shell with easy-grip rubber handle. Includes two Magnetic Shields™ to block magnetic strength when not in use, allowing easy storage in a toolbox without attracting other tools.

Item	Part No.	Pounds Pull	Length	Width	Height
F	07501*	100	5.25"***	1.125"	3.5"

**Dimension includes handle. All dimensions approximate.

*Part No. 07501 includes two Magnetic Shields™ to block magnetic strength when not in use.

Powerful Handle Magnets

Clean up scattered iron objects, including screws, nuts and bolts or use to lift heavy metal objects, such as shelving, beams and doors. Each features solid steel construction with welded handles. Red enamel finish.

Item	Part No.	Pounds Pull	Length	Width	Height
G	07210	150	5.25"	2"	4"
H	07211	225	5.375"		4.5"
I	07212	25	1.062"	.75"	2"
J	07213	50	2"		2"
	07214	100	4"		2.375"

Welded steel construction provides strength and durability.

Magnetic Hand Tools

Screwdriver Magnetizer/Demagnetizers

Quickly and easily magnetize small tools so they attract screws or nuts for easy starting and removing. Insert a screwdriver or nutdriver into the hole, pull it out and it's magnetized! Perfect for do-it-yourselfers, mechanics and electricians.

Item	Part No.	Description
A	07524	Magnetizer/Demagnetizer with separate slots for magnetizing and demagnetizing larger tools.
B	07224	Magnetizer/Demagnetizer, leave the magnetizer on the tool for extra magnetic strength. To demagnetize, pass the tool through one of the exterior channels.
C	07224BIN	Countertop Bin of 07224, 35 pcs.
D	07624BIN	Countertop Bin of 07524, 12 pcs.

Magnetic Retrieving Batons with Release

Magnetic Retrieving Batons are innovative and powerful tools to remove fine metallic filings, turnings or shavings (also known as swarf) from wet or dry environments! Pull knob at the end of the easy-grip handle to release parts. Both are 16 inches long with a 1 inch diameter tube.

Item	Part No.	Description
E	RHS02	Magnetic Retrieving Baton with easy-grip handle and hang hook
	RHS01	Standard Retrieving Baton

All dimensions approximate.

Extra Long Magnetic Retrieving Baton with Release

Extra length retrieves ferrous metal material from hard to reach places.

Item	Part No.	Description	Length	Diameter
F	RHS03	Extra Long Retrieving Baton with easy-grip handle and hang hook	39"	.5"

All dimensions approximate.

Telescoping Magnetic Pickup/Pointers

Each has a powerful neodymium magnet in the tip. Great for retrieving small metal objects such as nails, screws, washers, key rings and more. It doubles as a presentation pointer with a handy pocket clip attached.

Item	Part No.	Description
G	07228	Magnetic Pickup/Pointer, Extends to 25", 3 lbs. pull
H	07226	40-piece Counter Bin of 07228
I	07568	Magnetic Pickup/Pointer, Extends to 23", 7 lbs. pull
J	07566	30-piece Counter Bin of 07568

Magnetic Hand Tools

Telescoping Pickup Tools with Locking Hinge

Extend to 14" and 24" respectively. Each tool contains a magnetic tip made from neodymium, the strongest magnetic material available. Sturdy, telescoping body with vinyl handle grip gets to the hard-to-reach places to retrieve screws, nails and paper clips. Adjustable locking hinge allows access around corners or in areas where an unusual angle is necessary for object retrieval.

Item	Part No.	Pounds Pull	Description
K	07256	3	Extends to 14"
	07227	5	Extra Long, Extends to 24"

Pocket Pickup Magnet with Pocket Clip

A fabulous impulse buy at hardware and automotive retail stores, and popular with mechanics who work on transmissions. Use to test if items are made of ferrous metal material. Includes convenient pocket clip.

Item	Part No.	Pounds Pull	Description
L	07264	2	Pocket Pickup Magnet, 5.75" long

Extra Long Extendable Pickup Magnets

Each features a vinyl handle grip, durable aluminum tubing. Loosen knurled collar and pull to required length. Tighten collar to keep length.

Item	Part No.	Pounds Pull	Description
M	07567	10	Rigid Extendable Pickup Magnet Extends from 17" to 30".
N	07569	3	Extendable/Bendable Pickup Magnet Extends from 20" to 36".
O	07588	2	23" Retractable/Bendable Retrieving Magnet with Plunger Handle.

Bend-It Magnet

Bend or straighten to 19" long. Can be bent to reach almost any location. Use to retrieve lost items from engines, dashboards, drains and vents.

Item	Part No.	Pounds Pull	Description
P	07229	2	Bend-It Magnet

Telescoping Magnetic Pickup/Pointer with Scribe

The top of this tool can be unscrewed to reveal a sharp tip for etching and marking. The other end extends the tool from 6" to 25".

Item	Part No.	Pounds Pull	Description
Q	07565	3	Telescoping Magnetic Pickup with Scribe

Magnetic Parts Trays and Welding Magnets

Magnetic Parts Trays

Keep loose nuts, screws and other small metal items in reach while under the hood or under the car! Smooth stainless steel trays have powerful ceramic magnets with rubber covers in the base to secure them to a metal toolbox or table while keeping important metal pieces at hand. Store metal parts and tools during assembly and disassembly. Ideal for mechanics, craftsmen, repairmen and hobbyists. Works in any position - flat, sideways or upside down. Heavy gauge, stainless steel with rubber base to prevent scratching. Great for jobsite, garage, office and home.

Rubber covers prevent surface scratches

- Heavy gauge, stainless steel
- Protective rubber base to prevent scratching
- Use in any position, upside or down
- New packaging

Item	Part No.	Description	Dimensions
A	07686	Large Rectangle	14" x 6.25" x 1.5" H
B	07685	Rectangle	9.5" x 5.6" x 1.5" H
C	07684	Bowl	6" dia. x 1.5" H

Magnetic Welding Ground

Strong gripping power holds securely to ferrous metal work, providing positive ground for welding applications. Ideal for pipe that regular grounding clamps cannot grab.

Item	Part No.	Description	Dimensions
D	WMRB80	Welding Ground	3.5" dia. x 2.25" high

Welding Angle Magnets

Strong magnet attracts to any ferrous metal object and leaves both hands free to safely work on the project. Ideal for fast setup and accurate holding for all welding jobs.

Item	Part No.	Description	Dimensions
E	WMA50	Holds angles 45°, 90° and 135°.	6.125" x 4" x .625"
F	WMH50	Holds angles 30°, 45°, 60°, 75° and 90°.	4.75" x 3.5" x .625"

Alnico Magnets

Alnico magnets are made primarily from aluminum, nickel, cobalt and iron. Primarily for high heat applications, they are commonly sold as impulse buys and gift ideas, and ideal for educational experiments.

Alnico Horseshoe Magnets

The universal symbol of magnets recognized around the world. Both include a keeper to help retain magnetic power.

Item	Part No.	Pounds Pull	Dimensions
F	07225	3	2" tall x .25" thick
G	07279	2	1" tall x .31" thick

Versatile and powerful alnico horseshoe magnets with compact packaging have small footprints in your display. Each includes hole for mounting or hanging and steel keeper to retain magnetic strength.

Item	Part No.	Pounds Pull	Dimensions
H	07270	13	.78" tall x 1.18" wide x .78" deep
	07271	22	1" tall x 1.57" wide x 1" deep
	07272	30	1.187" tall x 1.770" wide x 1.187" deep

Alnico Button Magnets

Alnico button magnets have convenient mounting holes. Each includes metal keeper to retain magnetic strength.

Item	Part No.	Pounds Pull	Dimensions
	07258	1.5	.5" dia. x .375" high
I	07259	4	.75" dia. x .5" high
	07260	6	1" dia. x .625" high

Care should be taken when storing alnico material since it has a low resistance to demagnetization and will lose power if it is stored improperly (poles repelling each other). For this reason, all alnico magnets on this page are sold with a steel keeper to help retain magnetic strength. Please store with keeper when not in use.

I = Available on a pre-loaded Impulse Strip

Neodymium Discs and Rings

Super Magnets or Rare Earth Magnets

These discs and rings are made of neodymium, the most powerful magnet material in the world! The 07047 size disc is only the size of two dimes, but strong enough to hold a .25" thick pad of 3" x 3" sticky notes to a metal filing cabinet! Great for projects that require extreme strength in a small size. These magnets are NOT FOR CHILDREN. Care should be taken because these magnets are brittle and can chip if dropped.

Item	Part No.	Description
A	07045	Super Magnet Discs, .315" dia. x .118" thk., 10 pcs.
B	07047	Super Magnet Discs, .709" dia. x .118" thk., 3 pcs.
C	07090	Super Magnet Rings, .375" outer dia. x .125" inner dia. x .060" thk., 12 pcs.
C	07091	Super Magnet Rings, .74" outer dia. x .375" inner dia. x .105" thk., 3 pcs.

Super Neodymium Disc Magnets with Adhesive

With these magnets no glue is needed, just peel off the adhesive liner and stick to your craft or project (full cure time for adhesive is 24 hours). Industrial-strength acrylic foam adhesive conforms to the irregularities of rigid substrates and adheres the magnet to a multitude of materials including wood, plastic, ceramic, rock, paper and much more.

1. Magnet to Magnet - Use a North and a South magnet for added strength and "Snap-to" positioning. Magnets match up at same "Snap-to" spot every time.
2. Magnet to Steel - Use a North magnet attracted to steel for cost savings. Magnet will attract to steel, but may not match up with same spot every time.

Item	Part No.	Description
D	07525	Super Magnet Discs with Foam Adhesive, .25" dia. x .06" thk., 12 pcs. - 6 North, 6 South
E	07526	Super Magnet Discs with Foam Adhesive, .375" dia. x .06" thk., 12 pcs. - 6 North, 6 South
F	07527	Super Magnet Discs with Foam Adhesive, .5" dia. x .06" thk., 8 pcs. - North
G	07528	Super Magnet Discs with Foam Adhesive, .75" dia. x .06" thk., 5 pcs. - North

i = Available on a pre-loaded Impulse Strip

Ceramic Magnet Discs, Blocks and Rings

Ceramic Magnets

Also known as ferrite magnets, these powerful discs, blocks and rings are ideal for crafters, hobbyists and teachers. The best-selling sizes of discs and rings (.5", .75" and 1") are made from the highest grade of ceramic magnet material available, giving them unbeatable pull strength! Attach to photo frames, calendars, schedules and more to display on ferrous metal surfaces.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
H	07001	Blocks	.1875" x .25" x .875"	8 pcs.
I	07002	Discs	.5" dia. x .1875" thk.	10 pcs.
J	07003		.75" dia. x .1875" thk.	8 pcs.
K	07004		1" dia. x .15625" thk.	6 pcs.
L	07005	Rings	.7" od. x .3 id. x .118" thk.	
M	07006	Blocks with .196" hole	.75" x 1" x .2"	4 pcs.
	07073	Discs	.375" dia. x .125" thk.	15 pcs.

Heavy Duty Ceramic Magnets

These very strong magnets are ideal for large or heavy projects.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
N	07041	Discs (Multi-Pole on one side only)	1.5" dia. x .187" thk.	2 pcs.
	07043	Blocks	.375" x .375" x 1.875"	
O	07044		.375" x .875" x 1.875"	
P	07288	Rings	1.75" outer dia. x .875" inner dia. x .25" thk.	

Ceramic Magnet Value Packs

Powerful magnet discs in money-saving value packages.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
Q	07048	Discs	.5" dia. x .1875" thk.	40 pcs.
R	07049		.75" dia. x .1875" thk.	51 pcs.

Magnets for Projects

Super Thin Magnet Tape

Can be used in the home, school and office. Use just like regular tape - tear it and stick it to photos, schedules, kids' artwork, memos, notes and more (no paper liner to remove). Then post those items on metal cabinets, refrigerators, lockers or other ferrous metal surfaces. Measures .75" wide x 26 ft. long. For indoor applications only.

Item	Part No.	Description
A	07076	Magnet Tape, .0118" thk.

High Energy Flexible Magnet Squares

Multi-pole with more pull strength than standard flexible magnets. Magnetic squares with foam adhesive boast strength for medium-weight projects with uneven or porous surfaces. Attach to visual aides and display from metal walls or doors.

Item	Part No.	Description	Dimension	Qty. per Pkg.
B	07016	Squares	1" sq. x .1875" thk.	4 pcs.
	07017		.75" sq. x .1875" thk.	6 pcs.
C	07018		.5" sq. x .1875" thk.	8 pcs.

Ceramic Magnet Counter Displays

Contains 500 powerful, permanent ceramic blocks or discs with strength tester mounted to front of display.

Item	Part No.	Description	Dimension and Quantities per Display
D	MDCB40CB3	Blocks	300 blocks: .1875" x .75" x 1" with .1875" center hole, and 200 blocks: .1875" x .25" x .875"
E	MDCD10CR75	Rings and Discs	300 discs: .75" dia. x .1875" thick, and 200 rings: .75" outer dia. x .25" inner dia. x .25" thk.

Bulk Magnetic Tape Counter Display

Colorful display contains coiled magnetic tape with adhesive. 24 bulk rolls are each .5" wide x 30" long. Each is individually UPC labeled.

Item	Part No.	Description
F	MDZG10A	Counter Display, 24 pcs.

Easily cut with scissors.

Flexible Magnets for Projects

Flexible Magnetic Tape

Perfect for making lightweight projects magnetic. It has adhesive on one side and is magnetic on the other.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
G	07011	Tape	.5" x 30"	1 roll
	07053		1" x 30"	

Flexible Magnetic Tape in Large Rolls

Item	Part No.	Description	Dimensions	Qty. per Pkg.
H	07012	Tape	.5" x 10 ft.	1 roll
I	07013		.5" x 25 ft.	
	07019		1" x 10 ft.	

Flexible Magnetic Strip

Item	Part No.	Description	Dimensions
J	07009	Strip	3" x 4", scored into 6 pieces, .5" x 4"
K	07010		2" x 3", scored into 12 pieces, .5" x 1"

Flexible Magnetic Discs with Adhesive Peel-off Lining

Use these inexpensive mini discs for lightweight projects.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
L	07070	Discs	.5" dia. x .060" thk.	12 pcs.

Flexible Magnetic Squares with Adhesive Peel-off Lining

Are twice the thickness and strength of magnetic sheeting.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
M	08057	Squares	1" Sq. x .060" thk.	24 pcs.

Magnet Maker™

Magnetic sheet is great for creating vehicle signage or large magnetic signs.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
N	07060	White Vinyl Front	24" x 48" x .030" thk.	1 pc.

Flexible Magnetic Sheet with Adhesive

Make school projects, schedules or photos magnetic.

Item	Part No.	Dimension	Qty. per Pkg.
O	07014	5" x 8"	1 pc.
P	08056	4" x 6"	2 pcs.
	08501	8" x 11"	1 pc.

Flexible Magnetic Sheeting in Hang Tubes

White vinyl or adhesive front, both with magnetism on the back.

Item	Part No.	Description	Dimensions	Qty. per Pkg.
Q	08504	Adhesive Front	12" x 24"	1 pc.
	08505	White Vinyl Front		

Document, Photo and Storage Magnets

Magnetic Pouches

Each clear, 3D, soft pouch has powerful full magnetic backing. Keep objects at hands' reach and organized in the art studio, office, garage or school. Magnetically attracts to any flat ferrous metal surface.

Item	Part No.	Dimensions	Qty. per Pkg.
	08040	4.75" W x 4" H x .5" thk.	2 pcs.
A	08041	4.75" W x 6.5" H x .375" thk.	1 pc.
	08042	6.5" W x 6.5" H x .375" thk.	
B	08043	9.5" W x 12" H x .5" thk.	

Magnetic Photo Pockets

Magnetic photo pockets are clear, non-acidic plastic sleeves with white vinyl and full magnetic backing. Great for photos, schedules and memos. Ideal for school, home and office.

Item	Part No.	Holds Photo Size	Qty. per Pkg.
i	08151	3.5" x 5"	2 pcs.
i C	08152	4" x 6"	
D	08155	8.5" x 11"	1 pc.

Roll-N-Cut™ Dispenser for Magnetic Tape

Allows you to "roll out" the desired length of .5" wide magnetic tape and then safely and easily cut the magnet with the press of a lever, all in a one-handed operation. The magnet has a strong, indoor craft adhesive on one side that is protected from exposure by a white, peel-off liner. This allows the user to cut multiple pieces in rapid succession and not worry about the adhesive being exposed until ready to use. Perfect for photographs, crafts, displays, school projects and more.

Item	Part No.	Description
E	07519	Roll-N-Cut™ Dispenser with Magnetic Tape
F	07518	Refill Roll of Magnetic Tape, .5" x 15 ft.

i = Available on a pre-loaded Impulse Strip

Easy to Use

1. Roll dispenser forward to measure out magnetic tape.
2. Press handle down to safely cut tape at desired length.

Printable Magnetic Sheeting and Magnetic Business Cards

PrintMagnet™ Inkjet Printable Magnetic Sheeting

Flexible PrintMagnet™ can be used with most inkjet printers to create colorful signs and graphics that will attract to magnetically receptive surfaces. Ideal for school, home and office use. Easily cut to desired size with scissors or knife.

Item	Part No.	Dimensions	Qty. per Pkg.
G	08030	8.5" x 11"	3 sheets
H	08033	8.5" x 11" - Pre-perforated sheets that yield 10 business card size magnets, 2" x 3.5" each.	
I	08034	4" x 6" - Sheets with glossy finish for printing photo quality images. Works with personal inkjet photo printers.	10 sheets

High Strength Magnetic Business Cards (.030" Thick)

Your customers can magnetize their own business cards quickly and easily. Simply peel away adhesive liner, then affix business card. Ideal for contractors, salespeople, dentists, doctors, real estate brokers, repair services, technicians and more. Each magnetic business card measures 2" x 3.5".

Item	Part No.	Dimensions	Qty. per Pkg.
J	40010	.030" Thk. 2" x 3.5"	10 pcs.
I	40025		25 pcs.
	40050		50 pcs.
K	40100		100 pcs.
L	40010DSP		18 pkgs., 10 pcs. per pkg.

Standard Strength Magnetic Business Cards (.020" Thick)

Magnetic material in these products is .020" thick, offering standard magnetic strength with a thinner profile. Each measures 2" x 3.5".

Item	Part No.	Dimensions	Qty. per Pkg.
I	M	.020" Thk. 2" x 3.5"	5 pcs.
I	08010		10 pcs.
	08025		25 pcs.

Easy to Use

1. Peel away paper liner to expose adhesive.
2. Affix to any standard sized business card, then display from any ferrous metal surface.

I = Available on a pre-loaded Impulse Strip

Posting Magnets

Large Magnetic Clips

Post notes, hang decorations and more! Strong, plastic clip with rubber handles contains powerful neodymium magnet. Each clip is 3.5" long. Strongest in the industry.

Item	Part No.	Clip Color	Qty. per Pkg.
A	07506	Blue, translucent	2 pcs.
B	07520	Red, translucent	
	07521	Yellow, translucent	
	07522	Green, translucent	
	07523	White, opaque	

Large Magnetic Clips Impulse Strip

20-piece impulse strip with display hook includes five each of yellow, green, red and blue magnetic clips. Each clip individually UPC labeled.

Item	Part No.	Description
C	07556	20-Piece Magnet Impulse Strip

Large Magnetic Clips Countertop Bin

Each clip has UPC label. 16-piece countertop bin includes four each of yellow, green, red and blue magnetic clips.

Item	Part No.	Description
D	07550BIN	16-Piece Countertop Bin

Magnetic Push Pins

Powerful neodymium magnets encased in colorful plastic shapes are useful for posting memos, invoices and photos. Each piece is .625" tall.

Item	Part No.	Push Pin Description	Qty. per Pkg.
E	07507	Red Circles, Blue Squares and White Triangles	6 pcs. (2 of each shape)
F	07509	Purple and Yellow Circles	10 pcs. (5 of each color)
G	07510	Orange and Green Triangles	
H	07511	Fuchsia and Blue Squares	

Posting Magnets

Colorful Magnet Shapes

Attractive, fun and fast-selling, these colorful magnets make great gift and craft ideas. Display near registers for fast sales and profits! Useful for decorating and posting important memos, letters or notices.

Item	Part No.	Description	Qty. per Pkg.
I	00390	Red Heart, Blue Triangle, Yellow Star and Green Arrow.	1 of each shape
J	07591	Colorful Disc Magnets, Silicon Rubber Coated.	1 of each color

Hold Everything Magnets

Use these powerful colorful magnets to hold up maps, drawings, blueprints, pictures, notes, and other important items on ferrous metal surfaces, and at the same time keep paper clips, nails, pins, screws and other small metal items in reach. A must for any home, office, or workshop. Each measures .5" x 1" x 2".

Item	Part No.	Description	Qty. per Pkg.
K	07273	Red	1 pc.
L	07276	1 Red and 1 Yellow	2 pcs.
M	07278DSP	Countertop Display, 7 each of 8 colors. Each piece has UPC label.	56 pcs.

Magnetic U.S. Flags

Car magnets strong enough to withstand highway speeds. Bright screen printing stands up to sun, rain, wind and snow without fading! Use outdoor or indoor, made in U.S.A.

Item	Part No.	Dimensions	Qty. per Pkg.
N	07062	5" x 8"	1 pc.
O	07063	3" x 5"	2 pcs.
O	07162DSP	5" x 8" Countertop Display Each piece has UPC label.	48 pcs.

Magnetic Pink Cancer Support Ribbons

Show support for a cure for breast cancer! Each pink breast cancer ribbon measures 3" x 5". Powerful flexible magnetic material is made in the U.S.A. and strong enough to withstand highway speeds. Weather, UV, fading and water resistant.

Item	Part No.	Description	Qty. per Pkg.
P	07074	Ribbons	2 pcs.
Q	07075DSP	Countertop Display Each piece has UPC label.	96 pcs.

I = Available on a pre-loaded Impulse Strip

Stud Magnet™ / Nail Starter™

Magnetic Stud Locator

Locate drywall screws and nails in studs, and use as a nail starter and for a plumb line. Ideal for the do-it-yourself or home improvement customer who needs to hang pictures, shelves or decorations, or anchor items to a stud. Easy to use, has no mechanical parts, and requires no batteries or calibration. The patented Stud Magnet™ has a Magnetic Shield™ which blocks the magnetism when it is not in use. This allows the Stud Magnet™ to be stored neatly in any toolbox by preventing it from attracting to other tools or nails.

Item	Part No.	Description
A	07612	Red Stud Magnet™ with red shield
B	07513	Purple Stud Magnet™ with green shield
C	07514	Orange Stud Magnet™ with green shield
	07512	Red Stud Magnet™ with red shield (not shown)

Patent # 7183885

EASY TO USE

1. Remove Magnetic Shield™ and move magnet against wall to locate drywall screws or nails in the stud.
2. Set nail in notched end for easy startup.
3. Attach string and use as a plumb line guide for additional nails or screws.

Patent # 7183885

Magnetic Nail Starter™

This patented hand tool is ideal for do-it-yourself, home improvement and craft projects as well as for professional contractor and interior design jobs. Measures 5.75" long with a powerful magnet on one end that magnetically holds a nail, screw or staple in a starting position to prevent thumb injuries. This handy tool is especially helpful in situations where the nail is smaller than the fingers that are trying to hold it.

Item	Part No.	Description
D	07532	Nail Starter™, orange
E	07533	Nail Starter™, yellow
F	07531	Nail Starter™, red
G	07534	Nail Starter™, blue
H	07535	Nail Starter™, white
I	07537DSP	42-pc. Nail Starter™ Counter Display Each piece has UPC label.

Magnets for Unique Applications

Magnetic Pen Holders

Made of flexible magnetic material, these magnetic pen holders firmly hold standard-sized pens and pencils to refrigerators, filing cabinets and lockers.

Item	Part No.	Description
J	08055	Magnetic Pen Holders, 4 pcs.

Flexible Magnetic Shapes

Thick flexible magnets with magnetism on both sides. Useful for posting on work or tracking boards. Ten each of circle, triangle and square.

Item	Part No.	Description
K	07257	Flexible Magnetic Shapes, .080" thk., 30 pcs.

Flexible Magnetic Measuring Tape

Standard and metric measurements. Use on metal surfaces for hands-free measuring. Store on the side of a metal toolbox or cabinet. For outdoor or indoor use.

Item	Part No.	Description
L	07286	Magnetic Measuring Tape, 1 meter/1+ yard long

Handy Mag™ Belt Clip Magnet

Holds small hardware - nails, screws, wire nuts and more - securely and conveniently. Sturdy clip easily attaches magnet to belt or pocket.

Item	Part No.	Description
M	07221	Handy Mag™
	07221DSP	Handy Mag™ Counter Display, holds 24 pkgs.

Flexible Magnetic Conversion Chart

A handy reference chart for conversion of fractions to decimals in inches and metric units. Measurements shown are in .03125" increments.

Item	Part No.	Description
N	07289	5" x 8" Flexible Magnetic Conversion Chart

Magnetic Badge Holder

Measures .5" W x 1.80" L x .16" Thk. Two powerful neodymium disc magnets are mounted to one metal plate. Adhesive with liner on other metal plate.

Item	Part No.	Description
O	08011	Magnetic Badge Holder

Cow Magnets

Used to prevent Hardware Disease* in cows, and ideal for classroom experiments including demonstration of magnetic fields.

Item	Part No.	Description
P	07238	Ru-Master 5 Cow Magnet, heavy duty, patented .75" dia. x 3.35" long
Q	07239	Alnico Cow Magnets, 2 pc., .5" dia. x 3" long

*For information about Hardware Disease, visit magnetsource.com/cowmagnets

Magnets for Unique Applications

A Protective liner prevents surface scratches.

B

Magnetic Cup Caddy™

Keep your favorite beverage at hand when working in the garage, workshop or outdoors. Powerful magnet attracts to any ferrous metal surface including toolbox, cabinet or even your stationary vehicle. Holds an insulated mug, hot or cold container, aluminum can or fountain cup. Also useful for keeping cans, spray paint, lubricants, pens, pencils, small tools and more within easy reach. Measures 4.625" tall x 3.5" dia. Holds containers up to 3.25" dia. at base.

- Protective liner prevents surface scratches
- Durable plastic
- Powerful magnetism

Item	Part No.	Description
A	07582	Red
B	07583	Black

Magnetic Bulk Parts Lifter in Retail Package

Pick up and transfer nails, screws, nuts or any small metal objects, then pull the handle to release them in the desired location. Prevents injuries caused by hand scooping sharp metal objects. Heavy duty canister is lightweight and features an easy-grip handle. Lifts up to one pound of 2.5" nails. Special interactive "Try Me" package allows product test before purchase.

C

Item	Part No.	Pounds Pull	Dimensions
C	07540	Lifts up to one pound of 2.5" nails.	3.5" dia. x 6.75" high

Heavy Duty Magnetic Bulk Parts Lifters

Heavy duty magnet attracts ferrous metal parts, then a fingertip pull on the release bar drops the entire load in its desired location. Easily transfer bulk metal pieces including nails, screws, nuts, washers, eyebolts or other ferrous metal items. Models ML72 and ML74 are available with standard or long handle and nylon base. Models ML76 and ML78 are stainless steel with regular handle only.

D

E

F

Item	Part No.	Pounds Pull	Description	Length	Width	Height*
D	ML72C	4 to 5	Nylon Base	4.375"	3.125"	9.25"
	ML74C	8 to 9		6.25"

Items above not packaged for retail sale. * Height includes handle.

Retail Support

Retailers can take advantage of various signage and display options to increase magnet visibility and sales.

Magnets attract profits.

With over 250 SKUs of packaged consumer magnets in stock, customized planograms and consistent quality, The Magnet Source® brand is a great profit center for your stores.

Where to start.

Call **1.888.293.9190** to speak with one of our magnet specialists or visit magnetsource.com/retailersupport

Sidekick Display (for more information see page 5)

Combines two best-selling magnets in one space-saving, heavy duty metal display! This innovative retail display holds six Pick-Up Pals™ and four 15" wide Mini Sweepers™. Colorful graphics feature in-use photos and trilingual descriptions. Attaches to most standard end cap gondolas.

Floor and Counter Displays

Space-Saving • Innovative • Colorful

Many of our top-selling magnets are available in attractive display options. Choose from a variety of Floor Displays, Counter Displays and pre-loaded Impulse Strips.

Increase sales and cross merchandise with magnets.

Place these displays in high traffic areas of your store for fast and easy sales.

Magnet Source® Center

Increase your magnet sales with these FREE P.O.P. graphics.

Choose a pre-designed or customize your own magnet planogram, then enhance it with one or all of these graphic options at no charge:

1. **Colorful Header Sign** attracts attention, drawing customers to your Magnet Source® Center. Easily attaches to top of gondola with a channel magnet assembly (included).
2. **Two-sided Aisle Banner** grabs attention when viewed from the main aisle. In-use photos and ideas will help your customers discover the everyday applications and uses of magnets. Choose from flush mounting (as shown) or hanging with extended metal hanger.
3. **Try Me Demo Board** helps your customers find the right magnet by testing the magnetic strength on this interactive metal board. Three powerful magnet samples are tethered to the board. Easily attaches to pegboard.

Visit magnetsource.com/retailersupport for your Magnet Source® Center graphics.
