

ELIMINATES ODOURS AND TREATS SEPTIC SYSTEMS

/MrGreenCanada

@mrgreencanada

“ We have used MrGreen Septic Booster in our campground for over 5 years and notice that the system has worked flawlessly. Solids & greases seem to break down much quicker using this product and problems we had before using Septic Booster have been eliminated. ”  
Kootenay Campsites BC

**MrGreen Septic Booster** is an all natural organic micronutrient-based liquid concentrate to reactivate slow or failing septic systems and quickly eliminate odours, reduce standing water and drain field back-ups. Septic Booster can also be used as an ongoing maintenance program to ensure a healthy and active septic system. MrGreen does not contain bacteria, enzymes, harsh chemicals, alcohol or masking agents and as such is safe for humans, animals and the environment.

FEATURES & BENEFITS
• Eliminates odours
• Treats slow or failing septic systems
• Maintains a healthy septic system
• Breaks down fat, grease and sludge
• Will not contaminate groundwater
• Satisfaction guaranteed
