Item	Pack	Part #	HDI #
<b>SmartCode Electronic Deadbolt</b> - With your own personal code, you can enter your home with just a few simple pushes of a button and lock it with just one. You also get more control over who has access to your home. Just assign a temporary code to whoever needs one and delete it when you see fit. Now you can totally eliminate the need for keys. SmartCode is easy to install, program and use and operates on 4 AA batteries. SmartCode complements any Weiser knob, lever or handleset.

**CARBON MONOXIDE DETECTORS**

**FIRST ALERT**

Item	Pack	Part #	HDI #
<b>Plug-In Style</b> - Plug-in carbon monoxide detectors with battery operated backup and backlit digital display. These detectors plug into standard outlets without additional mounting. Plug-in cord offers multiple placement options. Battery operated backup ensures alarm works even during power outages. 5 Year Limited Warranty. Meets UL Standards.			
	3	CO615	391182
<b>Plug-In Style (120V)</b> - The First Alert plug in carbon monoxide detector easily plugs into any standard outlet with no additional mounting necessary. Mute button silences any nuisance alarms. Single button also tests detector functions. This detector utilizes an electrochemical sensor for increased accuracy. 5-year limited warranty. Meets UL standards.			
	3	CO600	391186
<b>Battery Powered</b> - Battery powered carbon monoxide detector from First Alert with mute button to silence any nuisance alarms. Single button also tests alarm functions. Utilizes electrochemical sensor for increased accuracy. Easy, front access to the battery. 5-year limited warranty. Meets UL standards.			
	3	CO400	391184

SA340CN

9120B

SA303CN3

FG200

**SMOKE & FIRE DETECTORS**

**FIRST ALERT**

Item	Pack	Part #	HDI #
<b>Tamper Proof, Battery Operated</b> - The First Alert tamperproof lithium powered alarm is the only one available proven to last at least 10 years without needing to replace power source. 10-year lithium power cells and tamper proof design meet code regulations where required. Mute feature silences nuisance alarms from cooking smoke or shower steam. Single button also tests alarm functions. Easy access battery drawer: no need to remove alarm from ceiling to change battery. 10-year limited warranty. Meets UL standards.			
	3	SA340CN	391162
<b>120V AC/DC</b> - The 9120 Series smoke alarms have been designed to install faster 2C perform better and be even smarter than before. These improvements help reduce nuisance alarms and save you time and money. With battery backup.			
	12	9120B	391104
<b>Battery Operated</b> - This Battery Smoke Alarm is ideal for detecting fast flaming fires. It has a mute button, which silences unnecessary alarms often caused by cooking smoke or shower steam. The Battery Smoke Alarm is best suited to detect smoke from a fast flaming fire. It has a mute button that silences unnecessary alarms often caused by cooking smoke or shower site.			
	6	SA303CN3	391101
<b>Family Gard, Battery Operated</b> - Battery operated ionization smoke alarm with test button, 9 volt battery included. Ionization smoke sensors are generally more sensitive at detecting small particles, which tend to be produced in greater amounts by flaming fires. Beeping signal warns when the battery needs replacing. Hinged cover for easy battery replacement. Meets ANSI/UL217 standard. 3-year limited warranty.

**BOOT PRODUCTS**

**JOBSITE**

Item	Pack	Part #	HDI #	
<b>Mens Work Insole</b> - Everyday comfort for all types of casual and work footwear. Breathable fabric wicks away moisture. Antibacterial to reduce odor causing bacteria. Double layer covering is lightweight, durable, and heat resistant. Visco elastic heel insert absorbs and dissipates heel shock. One size - trim replacement insoles at toe to desired size.	6	54022	354022	
<b>Silicone Waterproof</b> - Ideal for leather and fabric boots, luggage, gun cases, saddlery, baseball gloves, safety belts, gloves, etc. Penetrates leather to lubricate and waterproof the fibers. Repeat as necessary. Apply liberally on material. Caution: Not for use on patent leather and vinyl.	6	54034	354034	
<b>Boot Tray</b> - Plenty big enough to hold 3 pair of boots/shoes. Perfect for farm boots, gardening supplies or even pet needs. Heavy gauge molded plastic with reinforcement for good support. Side walls to hold in melted ice and water puddles. Sturdy, yet portable and lightweight for any location.	6	54041	354041	
<b>Ice Claw</b> - Walk safer on slippery snow and ice. Grabs traction on ice. Bites into packed snow. Makes outdoor work and play safer. Fits all Footwear - Men, Women, Youth. Boots - hunting / work / hiking. Shoes - casual / dress / sport. Quick and Easy On . . . Quick and Easy Off. Stretch easily with one motion over your shoes or boots. Handy heel tab for two-finger, one motion removal. Just fold up and carry in jacket pocket.	Regular	6	54071	354071
	Big Foot - Large	6	54073	354073
<b>Boot Dryer</b> - Use on all types of materials including leather, PVC, rubber, neoprene, canvas, synthetics, cloth, fleece, felt, micro and other modern fabrics. Eliminates odors caused by sweat and bacteria. Extends the life of footwear, clothing and gear. Thermal convection is safe, no motor, no noise; air circulates naturally. Compact and portable, yet tough and powerful.	6	54091	354091	

**BOOT SCRUBBER**

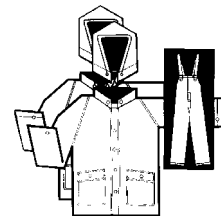

**JOBSITE**

54098

Item	Pack	Part #	HDI #
<b>Boot Scrubber</b> - Composite molded plastic construction is long lasting and will not rot or ruin from elements of snow, rain, barnyard acids or weather. Heavy gauge welded metal frame is rugged to take abuse and misuse. Built-in sole and edge scraper to clean off those tough to get at place. Great boot, shoe and footwear cleaning tool scrubber, scraper and cleaner all in one.	6	54098	354098
