

Revision Date 21-Mar-2016

SAFETY DATA SHEET

Version 3

1. IDENTIFICATION

Product identifier Product Name	09101 FUEL TANK REPAIR KIT PART 2
Other means of identification Product Code Synonyms	PTX209800C None
Recommended use of the chemical	and restrictions on use
Recommended Use	Epoxy curing agent
Uses advised against	No information available
Details of the supplier of the safety Manufacturer Address ITW Permatex 6875 Parkland Blvd. Solon, OH 44139 USA	data sheet Distributor ITW Permatex Canada 35 Brownridge Road, Unit 1 Halton Hills, ON Canada L7G 0C6
Company Phone Number	Telephone: (800) 924-6994 1-87-Permatex (877) 376-2839
24 Hour Emergency Phone Number	Chem-Tel: 800-255-3924 International Emergency: 00+1+ 813-248-0585 Contract Number: MIS0003453
E-mail address	mail@permatex.com

2. HAZARDS IDENTIFICATION

Classification

OSHA Regulatory Status

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

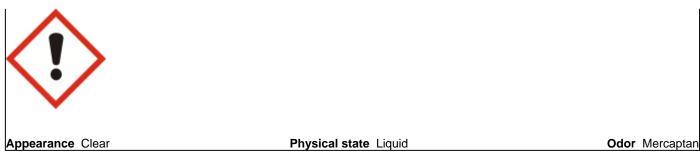

Skin corrosion/irritation	Category 2
Serious eye damage/eye irritation	Category 2A
Skin sensitization	Category 1

Label elements

Warning

Emergency Overview

Causes skin irritation Causes serious eye irritation May cause an allergic skin reaction

Precautionary Statements - Prevention

Avoid breathing dust/fume/gas/mist/vapors/spray Wear eye/face protection Wash face, hands and any exposed skin thoroughly after handling Contaminated work clothing should not be allowed out of the workplace

Precautionary Statements - Response

Specific treatment (see supplemental first aid instructions on this label)

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing If eye irritation persists: Get medical advice/attention IF ON SKIN: Wash with plenty of soap and water If skin irritation or rash occurs: Get medical advice/attention Wash contaminated clothing before reuse

Precautionary Statements - Storage

Store in a well-ventilated place

Precautionary Statements - Disposal

Dispose of contents/container to an approved waste disposal plant

Hazards not otherwise classified (HNOC)

Not applicable

Other Information

- Not applicable

Unknown acute toxicity

100 % of the mixture consists of ingredient(s) of unknown toxicity

3. COMPOSITION/INFORMATION ON INGREDIENTS

substance(s)

Chemical Name	CAS No	Weight-%	Trade Secret
MERCAPTAN AMINE BLEND (TSRN 679485-6533P)	_	60 - 100	*

*The exact percentage (concentration) of composition has been withheld as a trade secret.

4. FIRST AID MEASURES

Description of first aid measures

General advice	If symptoms persist, call a physician.
Eye contact	IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
Skin contact	IF ON SKIN:. Wash with soap and water. If skin irritation or rash occurs: Get medical

protective gear. 6. ACCIDENTAL RELEASE MEASURES Personal precautions, protective equipment and emergency procedures Personal precautions Ensure adequate ventilation, especially in confined areas. Avoid contact with ey Use personal protective equipment as required. Environmental precautions Do not flush into surface water or sanitary sewer system. See Section 12 for add ecological Information. Methods and material for containment and cleaning up Prevent further leakage or spillage if safe to do so. Methods for cleaning up Ensure adequate ventilation. Soak up with inert absorbent material. Sweep up a			
Ingestion IF SWALLOWED: Do NOT induce vomiting. Never give anything by mouth to a unconscious person. Call a physician. Self-protection of the first aider Use personal protective equipment as required. Most important symptoms and effects, both acute and delayed Symptoms See section 2 for more information. Indication of any immediate medical attention and special treatment needed Note to physicians Treat symptomatically. 5. FIRE-FIGHTING MEASURES Suitable extinguishing media Carbon dioxide (CO2), Dry chemical, Foam Unsuitable extinguishing media Carbon dioxide (CO2), Dry chemical, Foam Unsuitable extinguishing media Carbon dioxide (CO2), Dry chemical, Foam Unsuitable extinguishing media Carbon dioxide (CO2), Nry chemical, Foam Unsuitable extinguishing media None. Specific hazards arising from the chemical None in particular. Explosion data Sensitivity to Mechanical Impact None. Protective equipment and precautions for firefighters As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and iprotective gear. 6. ACCIDENTAL RELEASE MEASURES Personal precautions, protective equipment and emergency procedures. Personal precautions Ensure adequate ventiliation, especially in confined areas. Avoid contact with ey Use personal protective equipment as required. Environmental precautions. Environmental precautions Methods and material for containment and cleaning up. Methods for colaniment Prevent further leakage or spillage if safe to do so. Methods for cleaning up			
unconscious person. Call a physician. Self-protection of the first aider Use personal protective equipment as required. into suitable containers for disposal.	nd shovel		
Prevention of secondary hazards Clean contaminated objects and areas thoroughly observing environmental regu	lations.		
7. HANDLING AND STORAGE			
Precautions for safe handling			

Advice on safe handling	Handle in accordance with good industrial hygiene and safety practice. Avoid breathing vapors or mists. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Wash contaminated clothing before reuse. Use personal protective equipment as required.		
Conditions for safe storage, includi	ng any incompatibilities		
torage Conditions Keep containers tightly closed in a dry, cool and well-ventilated place.			
ncompatible materials Strong oxidizing agents			
8. EXPOSURE CONTROLS/PERSONAL PROTECTION			
Control parameters			
Appropriate engineering controls			
Engineering Controls	Showers Eyewash stations Ventilation systems		

Individual protection measures, such as personal protective equipment

Eye/face protection	Wear safety glasses with side shields (or goggles).
Skin and body protection	Wear protective natural rubber, nitrile rubber, Neoprene™ or PVC gloves.
Respiratory protection	Use NIOSH-approved air-purifying respirator with organic vapor cartridge or canister, as appropriate.
General Hygiene Considerations	Handle in accordance with good industrial hygiene and safety practice. Regular cleaning of equipment, work area and clothing is recommended.

9. PHYSICAL AND CHEMICAL PROPERTIES

Information on basic physical and chemical properties

Physical state Appearance Odor Odor threshold	Liquid Clear Mercaptan No information available	
Property pH Melting point / freezing point Boiling point / boiling range Flash point Evaporation rate Flammability (solid, gas) Flammability Limit in Air	Values No information available No information available No information available > 93 °C / > 200 °F No information available No information available	<u>Remarks</u> •
Upper flammability limit: Lower flammability limit: Vapor pressure Vapor density Relative density Water solubility Solubility in other solvents Partition coefficient Autoignition temperature Decomposition temperature Kinematic viscosity	No information available No information available No information available No information available 1.13 No information available No information available No information available No information available No information available No information available	

Remarks • Method

Dynamic viscosity	No information available
Explosive properties	No information available
Oxidizing properties	No information available
Other Information	
Softening point	No information available
Molecular weight	No information available
VOC Content (%)	0
Density	No information available
Bulk density	No information available
	10. STABILITY AND REACTIVITY

Reactivity

No data available

Chemical stability

Stable under recommended storage conditions

Possibility of Hazardous Reactions

None under normal processing.

Conditions to avoid

Excessive heat.

Incompatible materials

Strong oxidizing agents

Hazardous Decomposition Products

Carbon oxides

11. TOXICOLOGICAL INFORMATION

Information on likely routes of exposure

Inhalation	May cause irritation of respiratory tract.
Eye contact	Contact with eyes may cause irritation. May cause redness and tearing of the eyes.
Skin contact	May cause skin irritation and/or dermatitis. May cause sensitization by skin contact.
Ingestion	Ingestion may cause irritation to mucous membranes.

Information on toxicological effects

Symptoms No information available.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Sensitization	No information available.
Germ cell mutagenicity	No information available.
Carcinogenicity	No information available.

12. ECOLOGICAL INFORMATION

Ecotoxicity

Persistence and degradability

No information available.

Bioaccumulation

No information available.

<u>Mobility</u>

No information available.

Other adverse effects

No information available

13. DISPOSAL CONSIDERATIONS

Waste treatment methods

Disposal of wastes	Disposal should be in accordance with applicable regional, national and local laws and regulations.
Contaminated packaging	Do not reuse container.
US EPA Waste Number	Not applicable

14. TRANSPORT INFORMATION

DOT Proper shipping name:	Not regulated
IATA Proper shipping name:	Not regulated
IMDG Proper shipping name:	Not regulated

15. REGULATORY INFORMATION

US Federal Regulations

SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

SARA 311/312 Hazard Categories	
Acute health hazard	Yes
Chronic Health Hazard	No
Fire hazard	No
Sudden release of pressure hazard	No
Reactive Hazard	No

CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

<u>CERCLA</u>

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

US State Regulations

California Proposition 65

This product does not contain any Proposition 65 chemicals

U.S. State Right-to-Know Regulations

U.S. EPA Label Information

EPA Pesticide Registration Number Not applicable

WHMIS Hazard Class
