ZAPPLIGHT STYLUS (Zapp-0007)

Description: 2-in-1 LED/Ultrasonic rodent repelling light bulb.

How it works?

Sonic waves emit from the bulb irritating rodents, causing them to leave the area.

A discreet red indicator light shows you when it's repelling whether the LED light is on or off.

Effective range: 400 sq ft.

Perfect for use: Crawl spaces, attics, garages, pantries, kitchens, closets and basements.

PROTECT FROM:

MOSQUITOES

RATS*

ZAPPLIGHT GARDENIA (Zapp-0008)

Description: Weather resistant, dual purpose garden light will create a mosquito free zone by luring in mosquitoes with the blue UV light and will kill them on contact with our Zapp Grid. The blue UV is undetectable for humans and house pets.

How it works?

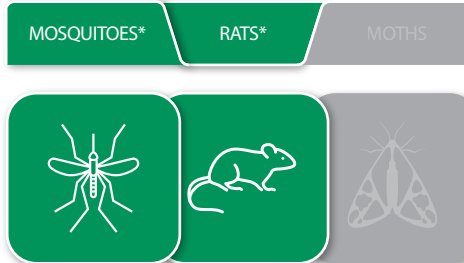

Using a UV light to attract mosquitoes and kill them on contact.

Perfect for use: Outdoor.

*ZapLight Gardenia V1 can repel rats using the Ultrasonic System while simultaneously attracting mosquitoes to eliminate them on contact with the Zapp System.

*ZapLight Gardenia V2 can eliminate mosquitoes with only the Zapp System.

PROTECT FROM:

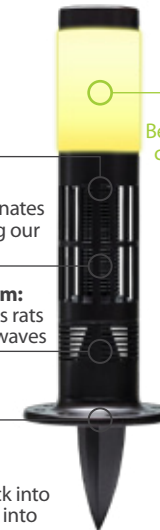

Blue UV Ray

Zapp System:
This system eliminates mosquitoes using our high voltage grid

Ultrasonic System:
This system repels rats using ultrasonic waves

Optional:
Accessory to stick into the soil or screw into flooring

Gardenia V1

LED Light:

NEW COLLECTION 2018

ZAPPLIGHT TERANO (Zapp-0012)

Description: The ultimate trap attracts and kills mosquitoes and other flying insects using the Zapplight Octenol Lure which mimics human odor.

How it works?

Using an UV light and the Zapplight Octenol Lure to attract flying insects and pull insects into the trap with a quiet suction fan.

Insects die as a result of the fan or from being trapped inside.

Multi-Position for optimal catch success

Perfect for use: Outdoor.

PROTECT FROM:

Octenol:

Replaceable Octenol lure hides inside the magnetic cartridge

Hanging Hook:

Recessed hanging hook to trap and illuminate any area

Blue UV Light:

Attractant lures insects inside

LED Light:

Beautiful and calming 300 lumen light

Vortex Fan:

Pull insects inside

Easy Cleaning:

Simply unscrew the base and discard dead insects

Feet:

Insert legs to raise to mosquito flying level
