The Right Napkin for Any Place Setting

Our napkins are the strong, silent type. They're soft and highly absorbent, providing reliable performance and value for all types of place settings. Available in a variety of sizes and folds, there's one to meet the needs of every customer. The inner bags, sleeves and boxes offer convenient and sanitary product storage while the one-at-a-time dispensing design reduces waste. All napkins are a bleach-free, eco-friendly choice.

The AdvantageTM Difference

“With an extensive line of paper products, the Advantage product offering allows me to meet the needs of all my customers, from hospitals and schools to restaurants and retail.”

Our paper products provide increased absorbency and enhanced softness for superior quality. Looking for an even greater cost-saving advantage? Try our natural line of towels.

With RDA Advantage's buying power we pass on competitive prices and let you customize order sizes to maintain valuable warehouse space and maximize cash flow. And since most products are delivered next-day, you can keep up with the changing demands of all your customers.

Indispensable Dispensers

RDA Advantage offers a wide selection in every category.

Whether your customer needs industrial-sized, commercial dispensers, or visually appealing, traditional holders, we'll make sure you have the right solution for all your customers.
