

High Quality Products

Superior Tool pipe working and plumbing tools are engineered and manufactured from the highest quality materials to meet or exceed all industry standards. Our innovative products save time and eliminate problems, making every piping and plumbing job easier.

Lifetime Guarantee

We guarantee our tools will last a lifetime.

Outstanding Value

And, in addition, our tools represent a great value... fair pricing and high quality. Check us out for yourself.

No Barriers To Buy®

We thank you for allowing us to become your trusted source for pipe working and plumbing tools. Our promise to both distributors and end-users is "No Barriers To Buy®."

What does this mean to you?

If a product is somehow not on a distributor's shelf, we will ship it out immediately:

- No minimum order requirement
- Freight will always be pre-paid (phone orders will be charged \$3.95)

You can get as many or as few tools as you need. Everything we do is geared towards offering our customers outstanding service.

Accurate, Timely Order Fulfillment

We employ state-of-the-art electronic communication, including EDI, to ensure accurate processing and timely delivery of your order

Total Support and Experience

Questions about setting up special programs for all sorts of customers from distributors to union locals? Superior Tool has been manufacturing and selling plumbing tools in the U.S. for over 70 years since 1946.

You can call our toll free help line from anywhere in the U.S. or Canada, Monday - Friday, 8:00 am - 5:00 pm EST. We can also be contacted on the Internet at www.superiortool.com.

Pipe Threader Ratchets

(Dies are sold separately)

Item #	Description	Weight	
		lbs	kg
 02934	1/4" - 1 1/4" Enclosed-type Ratchet Handle The enclosed-type ratchet head is a light-weight durable aluminum. Includes an extended handle for additional leverage. The inner diameter of the ratchet is 2.085" (flat to flat). This model takes die head sizes: 1/4", 3/8", 1/2", 3/4", 1" and (model# 02714) 1 1/4".	3.7	1.68
 02924	1 1/4" - 2" Enclosed-type Ratchet Handle The enclosed-type ratchet head is a light-weight durable aluminum. Includes an extended handle for additional leverage. The inner diameter of the ratchet is 2.8" (flat to flat). Works with die head sizes: (model# 02114) 1 1/4", 1 1/2" and 2". With the adapter (#02960), it will hold all smaller size die heads (1/4", 3/8", 1/2", 3/4", 1" and (model# 02714) 1 1/4").	6.06	2.75
 02960	Ratchet Head Adapter Adapter fits into the large ratchet head (inner diameter of 2.8"—flat to flat) and allows using small pilot dies in the head. For use with model #02924 ratchet handle and kit #02920.	0.12	0.05

Pipe Vise

Heavy-duty cast iron pipe vise. Yoke hook grips to form tight lock. Base has built-in pipe support. Three-piece hardened jaws with floating top jaw. Extra-large alloy steel jaws are hardened for long-lasting dependable service and a firm grip on pipe. Shock-proof, malleable iron frame guaranteed not to break or warp. Durable epoxy powder-coated finish.

Item #	Description	Pipe Capacity		Weight	
		inch	mm	lbs	kg
02816	2" Bench Yoke Vise	1/8 - 2	3 - 52	9.7	4.4
85816	Replacement Upper Jaw	n/a	n/a	1.34	0.61
85817	Replacement Lower Jaws	n/a	n/a	0.93	0.42

Heavy Duty Straight Cast-Iron Handled Pipe Wrenches

This heavy duty cast-iron pipe wrench is durable, easy to adjust and use, and very safe in the toughest situations. New, stronger ductile iron material and PowerFlange™ design add additional strength at critical stress areas of the handle making these wrenches the strongest in the industry—50% stronger. Many parts are interchangeable with other manufacturers' pipe wrenches. Durable epoxy powder-coated finish.

Item #	Description	Pipe Capacity		Weight	
		inch	mm	lbs	kg
02808	8" Heavy Duty	1	30	0.95	0.43
02810	10" Heavy Duty	1-1/2	48	1.9	0.86
02814	14" Heavy Duty	2	60	3.9	1.77

02802

2" Heavy Duty Pipe Cutter

Cast iron pipe cutter with wide rollers that allow smooth cutting of steel and iron Schedule 40 pipe. Extra long "T" handle for excellent leverage. Pipe capacity from ½" to 2" schedule 40 pipe. Durable epoxy powder-coated finish. Alloy steel, heat-treated cutter wheel for long cutting life.

Replacement cutter wheel #42215 (Iron & Steel Pipe) Cutter Wheel Retention Pin #43343

02802	½ - 2	3 - 52	5.62	2.55
--------------	-------	--------	------	------

36878

ST-2000™ Pipe Cutter

Cuts up to 1" schedule 40 pipe and 2" copper tubing. Capacity: 5/8" to 2-1/8" O.D. tubing, conduit and steel fencing; 3/8" to 1" steel or iron pipe, including galvanized. It's made of strong, lightweight aluminum construction and a comfort non-slip, polymer grip. Durable epoxy powder-coated finish for corrosion-resistance & durability. Heat-treated alloy steel cutting wheel.

A favorite for versatility: this tool ships with the cutter wheel for copper, iron and steel (#42348), but by replacing the wheel, it can also cut aluminum and copper (wheel #42329); or PVC, CPVC and ABS (wheel #42349).

See model #36879 in "Tools for Plastic Pipe" which ships with the wheel for plastic.

Replacement cutter wheel #42348 (Cu, Iron, Steel), #42329 (Cu, Al) and wheel #42349 (PVC, CPVC, ABS) Cutter Wheel Screw #43232

High Quality Products

Superior Tool pipe working and plumbing tools are engineered and manufactured from the highest quality materials to meet or exceed all industry standards. Our innovative products save time and eliminate problems, making every piping and plumbing job easier.

Lifetime Guarantee

We guarantee our tools will last a lifetime.

Outstanding Value

And, in addition, our tools represent a great value... fair pricing and high quality. Check us out for yourself.

No Barriers To Buy®

We thank you for allowing us to become your trusted source for pipe working and plumbing tools. Our promise to both distributors and end-users is "No Barriers To Buy®."

What does this mean to you?

If a product is somehow not on a distributor's shelf, we will ship it out immediately:

- No minimum order requirement
- Freight will always be pre-paid (phone orders will be charged \$3.95)

You can get as many or as few tools as you need. Everything we do is geared towards offering our customers outstanding service.

Accurate, Timely Order Fulfillment

We employ state-of-the-art electronic communication, including EDI, to ensure accurate processing and timely delivery of your order

Total Support and Experience

Questions about setting up special programs for all sorts of customers from distributors to union locals? Superior Tool has been manufacturing and selling plumbing tools in the U.S. for over 70 years since 1946.

You can call our toll free help line from anywhere in the U.S. or Canada, Monday - Friday, 8:00 am - 5:00 pm EST. We can also be contacted on the Internet at www.superiortool.com.
