KILLS MICE
MATA RATONES

PROTECTING YOUR HOME AND FAMILY FROM MICE JUST GOT EASIER!

Tomcat® Kill & Contain® Mouse Trap is the easy-to-use and effective way to eliminate mice. The exclusive design kills and contains the mouse, so you never have to see or touch a dead mouse again!

TREATMENT TIPS

- For best results, place 2 traps 5-10 ft apart.
- Target areas with high mice activity such as: near refrigerators, stoves, pantries, between washers and dryers, or along baseboards.
- Limit all other competitive food sources in your home. Store food in sealed containers, including dog and bird food.

MOUSE PREVENTION TIPS

- Mice venture into your home to find food and heat. Stop invasions before they happen by following these handy tips:
- Cover all openings into your home. Ensure stove and dryer vents are tightly sealed.
 - Keep garbage can lids tightly closed.

DIRECTIONS FOR USE

READY: Open bait door located on back of trap. Bait trap by placing food (such as peanut butter) or Tomcat Mouse Attractant in the bait well. Close bait door.

SET: Set trap by pressing the set arm located on side of trap. The easy-view indicator will point to "Set" and you will hear a 'click' when trap is set.

PLACE: Place trap where you see or suspect mice activity.

DISPOSE: Check trap frequently. When easy-view indicator is pointing to "Mouse Caught", use convenient grab tab to dispose of entire trap.

If trap is accidentally triggered, the easy-view indicator will point to "Not Set". Re-set the trap and place where you see mouse activity.
