Original, Gold Pinstriped Fabric Keeps Rolling Into the Future

Professional painters seeking flawless applications have reached for Pro/Doo-Z roller covers for over 20 years. In a sea of reformulated coatings, these Wooster golden pinstripe rollers remain unchanged and are still a staple of paint store aisles. Dense, high-capacity Pro/Doo-Z fabric has interlocked fibers to prevent shedding for smoother finishes. These woven covers provide excellent results with all paints—from latex flats to high gloss epoxies and everything in between. Wooster-exclusive Pro/Doo-Z fabric resists matting and stays resilient through a full day of use.

Jumbo-Koter® Minirollers

The matching fabrics on these minirollers deliver full-size results in kitchens, baths, hallways, and when cutting-in.

6-Packs
