

WOOSTER®

Paint Grids

Roll right from the bucket or can

- Grids lock in place for stability
- No rusting or paint buildup
- Easy to clean

Snap Screen™

Using longer rollers requires ample space for loading. Fit one Snap Screen inside a 5-gallon paint pail, or connect two together to create an 18-inch grid for large trays or buckets.

- 10½" L x 10½" W, fits Wooster 8614 and 8616 buckets or all 5-gallon paint pails

WOOSTER
MADE IN USA
R007
SNAP SCREEN™

Snap them together for large trays or buckets!

- Hooks secure screen, provide best rolling angle
- Easier to clean, resists solvents & paint buildup
- Fits all Wooster or 5-gallon paint buckets

Reliez-les pour les utiliser avec les grands bacs et les gros tamis.

- Des crochets fixent le rouleau sur un angle pour charger le rouleau
- Plus faciles à nettoyer, résistent aux solvants et à l'accumulation de peinture
- Convientement à tous les seaux de peinture de 5 gallons ou Wooster

¡Abróchelas juntas para bandejas o baldes grandes!

- Los ganchos aseguran la malla para proporcionar el mejor ángulo de rodaje
- Es más fácil de limpiar, resistente a los solventes y la acumulación de pintura
- Se adapta a todos los baldes Wooster o latas de 5 galones de pintura

Use with the Wooster Wide Boy™ bucket!

Connect

1-Gallon Grid

Smaller paint jobs are more efficient with a grid, too. The 1-Gallon Grid is designed for use with all rollers 4½" or smaller, including Wooster Jumbo-Koter® minis. A convenient slot built into the grid holds the roller frame grip in place.

- 9" L x 5" W, fits all 1-gallon metal paint cans
