

For specialty food processing products, Weston delivers the goods – quality, service and price.

Merchandising a complete line of specialty food preparation products can be a challenge. Lack of service, unreliable sources and questionable quality can move you from profit to problem in no time. That is why Weston stands above the crowd.

Weston is your preferred source for these specialty products, providing commercial “foodservice quality” equipment and supplies for the home. That’s because we go beyond products, to execute complete retail programs from concept to delivery.

A legacy of sourcing success

Your new preferred source comes with 15 years of real-world experience. As a division of PragoTrade LLC, Weston has a history of development and sourcing of superior products for retailers and manufacturers worldwide. That means we’ve been there, and we will continue to be here for you.

Our extensive network of resources, deep expertise in engineering and quality assurance, breadth of service with support capabilities are simply unmatched. This gives Weston a unique ability to deliver exactly what you need – the right products at the right place, the right time, and the right price.

Specialty products made special

Weston brings the right stuff home for foodies, hunters do-it-yourselfers and home gourmets, including kitchen products for *processing, preparing* and *preserving*. We also feature the exclusive Roma line of culinary products with a hint of Italian style.

Many times, Weston goes beyond stock items to add features and modifications that ensure a complete line of products at every price point. We’ll even work with you to meet your specific needs and help you fulfill your

particular value proposition. Every Weston item is hand selected and sourced through best-in-class manufacturers across the globe. And every item meets our rigorous testing and standards for quality.

Values shared, value delivered

At Weston, our commitment to service and quality is exceeded only by our ability to get things done. We can meet your specific delivery requirements, whatever they may be, with full warehousing, fulfillment and logistics capabilities and resources.

Our dedication to quality means every Weston or Roma product will meet or exceed your expectations and your customer's demands. In fact, we warrant all of our products to be free of defects for one full year.

Our consistent, reliable service means your promises to your customers are kept. That’s more than our commitment – it’s our way of doing business.

Let Quality Weston Products Fulfill Your Passion

Perhaps you're a hunter looking for easy affordable ways to handle your game at home. Maybe you're a "foodie" who simply enjoys making it all yourself from scratch. Or perhaps you're concerned about the nutritional value and cost of the overwhelming amounts of highly processed, industrialized food available today. Whatever your passion, Weston has what you need.

For home gardeners, home cooks and homemakers who appreciate the value of good nutrition and taste of homemade, Weston products can help you take a healthy, "back to basics" approach to your meal planning and preparation. Our entire line of quality houseware products deliver unique, highly specialized tools for every step in the home food chain: Process, Prepare and Preserve. Get the right equipment to turn your game, your harvest or your bulk purchases into good nutrition, good value and good eats.
