XPANSE® PREMIER SERIES

Tired of the rattles and squeaks of low-end railings? Xpanse Premier Series railing is incredibly strong and durable. The elegant profile makes it ideal for residential and commercial applications that require a low-maintenance rail that looks like beautiful, hand-painted wood.

FEATURES + BENEFITS

Composicore is stronger than vinyl and most wood composites

ICC code approved

Transferable Limited Lifetime Warranty

Architectural details on rail

Level rail brackets show no screws

No rattling or squeaking

No sanding, staining, or painting required

Can't be attacked by termites or other wood eating pests

Brackets included in each kit

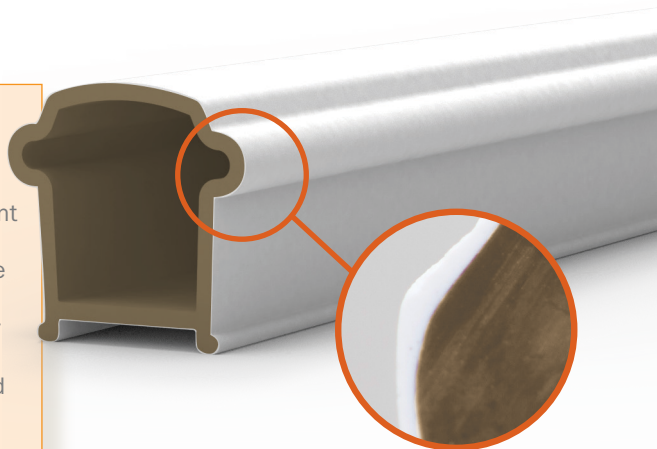

Post caps and trim pieces available

Innovative deck board top option

Composicore® is a precision-engineered polymer containing no wood fibers or components making it the most water-resistant core available. Unlike wood/plastic composites, Composicore will not absorb moisture, rot, cup, bow, splinter, stain, warp, or decay, and will resist mold and fungus. Composicore is standard in Premier Series railing.

1 3/8" Square Balusters

1 3/8" Colonial Balusters

3/4" Black Round Aluminum Balusters
